PREAMBLE

THE EUROPEAN UNION AND THE EUROPEAN ATOMIC ENERGY COMMUNITY

AND

THE UNITED KINGDOM OF GREAT BRITAIN AND NORTHERN IRELAND,

CONSIDERING that on 29 March 2017 the United Kingdom of Great Britain and Northern Ireland ("United Kingdom"), following the outcome of a referendum held in the United Kingdom and its sovereign decision to leave the European Union, notified its intention to withdraw from the European Union ("Union") and the European Atomic Energy Community ("Euratom") in accordance with Article 50 of the Treaty on European Union ("TEU"), which applies to Euratom by virtue of Article 106a of the Treaty establishing the European Atomic Energy Community ("Euratom Treaty"),

WISHING to set out the arrangements for the withdrawal of the United Kingdom from the Union and Euratom, taking account of the framework for their future relationship,

NOTING the guidelines of 29 April and 15 December 2017 and of 23 March 2018 provided by the European Council in the light of which the Union is to conclude the Agreement setting out the arrangements for the withdrawal of the United Kingdom from the Union and Euratom,

RECALLING that, pursuant to Article 50 TEU, in conjunction with Article 106a of the Euratom Treaty, and subject to the arrangements laid down in this Agreement, the law of the Union and of Euratom in its entirety ceases to apply to the United Kingdom from the date of entry into force of this Agreement,

STRESSING that the objective of this Agreement is to ensure an orderly withdrawal of the United Kingdom from the Union and Euratom,

RECOGNISING that it is necessary to provide reciprocal protection for Union citizens and for United Kingdom nationals, as well as their respective family members, where they have exercised free movement rights before a date set in this Agreement, and to ensure that their rights under this Agreement are enforceable and based on the principle of non-discrimination; recognising also that rights deriving from periods of social security insurance should be protected,

RESOLVED to ensure an orderly withdrawal through various separation provisions aiming to prevent disruption and to provide legal certainty to citizens and economic operators as well as to judicial and administrative authorities in the Union and in the United Kingdom, while not excluding the possibility of relevant separation provisions being superseded by the agreement(s) on the future relationship,

CONSIDERING that it is in the interest of both the Union and the United Kingdom to determine a **transition or implementation** period during which – notwithstanding all consequences of the United Kingdom's withdrawal from the Union as regards the United Kingdom's participation in the institutions, bodies, offices and agencies of the Union, in particular **the end**, on the date of entry into force of this Agreement, **of the mandates** of all members of institutions, bodies and agencies of the Union nominated, appointed or elected in relation to the United Kingdom's membership of the Union – **Union law , including international agreements, should be applicable to and in the United Kingdom, and, as a general rule, with the same effect as regards the Member States**, in order to avoid disruption in the period during which the agreement(s) on the future relationship will be negotiated,

RECOGNISING that, even if Union law will be applicable to and in the United Kingdom during the transition period, the specificities of the United Kingdom as a State having withdrawn from the Union mean that it will be important for the **United Kingdom to be able to take steps to prepare and establish new international arrangements of its own**, including in areas of Union exclusive competence, **provided such agreements do not enter into force or apply during that period, unless so authorised by the Union**,

RECALLING that the Union and the United Kingdom have agreed to honour the mutual commitments undertaken while the United Kingdom was a member of the Union through a single financial settlement,

CONSIDERING that in order to guarantee the correct interpretation and application of this Agreement and compliance with the obligations under this Agreement, it is essential to establish provisions ensuring overall governance, in particular binding dispute-settlement and enforcement rules that fully respect the autonomy of the respective legal orders of the Union and of the United Kingdom as well as the United Kingdom's status as a third country,

ACKNOWLEDGING that, for an orderly withdrawal of the United Kingdom from the Union, it is also necessary to establish, in separate protocols to this Agreement, durable arrangements addressing the very specific situations relating to Ireland/Northern Ireland and to the Sovereign Base Areas in Cyprus,

ACKNOWLEDGING further that, for an orderly withdrawal of the United Kingdom from the Union, it is also necessary to establish, in a separate protocol to this Agreement, the specific arrangements in respect of Gibraltar applicable in particular during the transition period,

UNDERLINING that this Agreement is founded on an overall balance of benefits, rights and obligations for the Union and the United Kingdom,

NOTING that in parallel with this Agreement, the Parties have made [precise Title of the JPD],

CONSIDERING that there is a need for both the United Kingdom and the Union to take all necessary steps to begin as soon as possible after 29 March 2019 the formal negotiations of one or several agreements governing their future relationship with a view to ensuring that, to the extent possible, those agreements apply from the end of the transition period,

- (b) the deadline for submitting the application shall not be less than 6 months from the end of the transition period, for persons residing in the host State before the end of the transition period.

For persons who have the right to commence residence after the end of the transition period in the host State in accordance with this Title, the deadline for submitting the application shall be 3 months after their arrival or the expiry of the deadline referred to in the first subparagraph, whichever is later.

A certificate of application for the residence status shall be issued immediately;

- (c) the deadline for submitting the application referred to in point (b) shall be extended automatically by 1 year where the Union has notified the United Kingdom, or the United Kingdom has notified the Union, that technical problems prevent the host State either from registering the application or from issuing the certificate of application referred to in point (b). The host State shall publish that notification and shall provide appropriate public information for the persons concerned in good time;
- (d) where the deadline for submitting the application referred to in point (b) is not respected by the persons concerned, the competent authorities shall assess all the circumstances and reasons for not respecting the deadline and shall allow those persons to submit an application within a reasonable further period of time if there are reasonable grounds for the failure to respect the deadline;
- (e) the host State shall ensure that any administrative procedures for applications are smooth, transparent and simple, and that any unnecessary administrative burdens are avoided;
- (f) application forms shall be short, simple, user friendly and adapted to the context of this Agreement; applications made by families at the same time shall be considered together;

- (g) the document evidencing the status shall be issued free of charge or for a charge not exceeding that imposed on citizens or nationals of the host State for the issuing of similar documents;
- (h) persons who, before the end of the transition period, hold a valid permanent residence document issued under Article 19 or 20 of Directive 2004/38/EC or hold a valid domestic immigration document conferring a permanent right to reside in the host State, shall have the right to exchange that document within the period referred to in point (b) of this paragraph for a new residence document upon application after a verification of their identity, a criminality and security check in accordance with point (p) of this paragraph and confirmation of their ongoing residence; such new residence documents shall be issued free of charge;
- (i) the identity of the applicants shall be verified through the presentation of a valid passport or national identity card for Union citizens and United Kingdom nationals, and through the presentation of a valid passport for their respective family members and other persons who are not Union citizens or United Kingdom nationals; the acceptance of such identity documents shall not be made conditional upon any criteria other than that of the validity of the document. Where the identity document is retained by the competent authorities of the host State while the application is pending, the host State shall return that document upon application without delay, before the decision on the application has been taken;

- (j) supporting documents other than identity documents, such as civil status documents, may be submitted in copy. Originals of supporting documents may be required only in specific cases where there is a reasonable doubt as to the authenticity of the supporting documents submitted;

- (k) the host State may only require Union citizens and United Kingdom nationals to present, in addition to the identity documents referred to in point (i) of this paragraph, the following supporting documents as referred to in Article 8(3) of Directive 2004/38/EC:
 - (i) where they reside in the host State in accordance with point (a) of Article 7(1) of Directive 2004/38/EC as workers or self-employed, a confirmation of engagement from the employer or a certificate of employment, or proof that they are self-employed;

 - (ii) where they reside in the host State in accordance with point (b) of Article 7(1) of Directive 2004/38/EC as economically inactive persons, evidence that they have sufficient resources for themselves and their family members not to become a burden on the social assistance system of the host State during their period of residence and that they have comprehensive sickness insurance cover in the host State; or

- (iii) where they reside in the host State in accordance with point (c) of Article 7(1) of Directive 2004/38/EC as students, proof of enrolment at an establishment accredited or financed by the host State on the basis of its legislation or administrative practice, proof of comprehensive sickness insurance cover, and a declaration or equivalent means of proof, that they have sufficient resources for themselves and their family members not to become a burden on the social assistance system of the host State during their period of residence. The host State may not require such declarations to refer to any specific amount of resources.

With regard to the condition of sufficient resources, Article 8(4) of Directive 2004/38/EC shall apply;

However, the following provisions of the Treaties, and acts adopted by the institutions, bodies, offices or agencies of the Union, shall not be applicable to and in the United Kingdom during the transition period:

- (a) provisions of the Treaties and acts which, pursuant to Protocol (No 15) on certain provisions relating to the United Kingdom of Great Britain and Northern Ireland, Protocol (No 19) on the Schengen *acquis* integrated into the framework of the European Union or Protocol (No 21) on the position of the United Kingdom and Ireland in respect of the area of freedom, security and justice, or pursuant to the provisions of the Treaties on enhanced cooperation, were not binding upon and in the United Kingdom before the date of entry into force of this Agreement as well as acts amending such acts;

- (b) where acts of the Union provide for the participation of Member States, nationals of Member States or natural or legal persons residing or established in a Member State in an information exchange, procedure or programme which continues to be implemented or which starts after the end of the transition period, and where such participation would grant access to security-related sensitive information that only Member States, nationals of Member States, or natural or legal persons residing or established in a Member State, are to have knowledge of, in such exceptional circumstances the references to Member States in such Union acts shall be understood as not including the United Kingdom. The Union shall notify the United Kingdom of the application of this derogation;

ARTICLE 139

Share of the United Kingdom

The United Kingdom's share referred to in points (a) and (c) of Article 136(3), and in Articles 140 to 147 shall be a percentage calculated as the ratio between the own resources made available by the United Kingdom in the years 2014 to 2020 and the own resources made available during that period by all Member States and the United Kingdom as adjusted by the amount communicated to the Member States before 1 February 2022 in accordance with Article 10b(5) of Regulation (EU, Euratom) No 609/2014.

ARTICLE 140

Outstanding commitments

1. Unless otherwise provided for in this Agreement, **the United Kingdom shall be liable to the Union for the United Kingdom's share of the budgetary commitments of the Union budget and the budgets of the Union decentralised agencies outstanding on 31 December 2020 and for the United Kingdom's share of the commitments made in 2021** on the carryover of commitment appropriations from the budget for 2020.

The first subparagraph shall not apply to the following commitments outstanding on 31 December 2020:

- (a) those commitments related to the programmes and bodies to which Article 11 of Regulation (EU, Euratom) No 609/2014 applies with regard to the United Kingdom;
- (b) those commitments financed by assigned revenue in the Union budget.

With regard to the Union's decentralised agencies, the amount of their commitments referred to in the first subparagraph shall only be taken into account in proportion to the share of contributions from the Union budget in their overall revenues for the period 2014-2020.

2. The Union shall calculate the amount of commitments referred to in paragraph 1 on 31 December 2020. It shall communicate that amount to the United Kingdom by 31 March 2021, adding a list with the reference key of each commitment, the associated budget lines, and the amount for each associated budget line.

3. The Union shall, by 31 March of each year, starting in 2022, with regard to the commitments referred to in paragraph 1, communicate to the United Kingdom:
 - (a) information on the amount of commitments outstanding on 31 December of the previous year and on the payments and decommitments made in the previous year, including an update of the list referred to in paragraph 2;
 - (b) an estimate of the expected payments in the current year based on the level of payment appropriations in the budget;
 - (c) an estimate of the expected contribution of the United Kingdom to the payments referred to in point (b); and
 - (d) other information, such as a medium term payment forecast.

4. The annual amount payable shall be calculated as the United Kingdom's share of the estimate referred to in point (b) of paragraph 3 adjusted by the difference between the payments made by the United Kingdom in the previous year and the United Kingdom's share of the payments made by the Union in the previous year on the outstanding commitments referred to in paragraph 1, reduced by the amount of net financial corrections in relation to programmes and activities financed under the MFF 2014-2020 or previous financial perspectives and reduced by the proceeds of any infringement procedures concerning the failure of a Member State to make available own resources related to financial years until 2020, provided that those amounts have been received by the budget in the previous year and are definitive. The annual amount payable by the United Kingdom shall not be adjusted in the given year.

In 2021, the annual amount payable by the United Kingdom shall be reduced by the United Kingdom's share in the financing of the budget for 2020 of the amount of payment appropriations carried over from 2020 to 2021 in accordance with Articles 12 and 13 of the Financial Regulation and by the United Kingdom's share of the total amount of traditional own resources made available to the Union in January and February 2021 in respect of which the Union's entitlements were established in accordance with Article 2 of Regulation (EU, Euratom) No 609/2014 in November and December 2020. The Union shall also reimburse to the United Kingdom the United Kingdom's share of the total amount of traditional own resources made available by the Member States after 31 December 2020 for goods released for free circulation in respect of ending or discharge of temporary storage or customs procedures referred to in Article 49(2) started before or on this date.

5. At the request of the United Kingdom, made at the earliest **after 31 December 2028, the Union shall make an estimate of the remaining amounts to be paid by the United Kingdom** under this Article, on the basis of a rule taking into account the amount of outstanding commitments at the end of the year and an estimate of any decommitments on those outstanding commitments, any financial corrections and any proceeds from the infringement procedures after the end of the year. After the confirmation by the United Kingdom of the acceptance of the proposal to the Committee on the financial provisions referred to in point (f) of Article 165(1) and the Joint Committee, the United Kingdom shall pay the estimated amount, as adjusted in accordance with paragraph 4 of this Article, in relation to the payments made by the United Kingdom in the previous year. The payment of the amounts referred to in this paragraph shall extinguish the remaining obligations of the United Kingdom or the Union under this Article.

ARTICLE 141

Fines decided upon before or on 31 December 2020

1. In respect of a fine decided upon by the Union before or on 31 December 2020 that has become definitive and that does not constitute assigned revenue, the Union shall reimburse the United Kingdom for its share of the amount of the fine collected by the Union, unless that amount has already been recorded as budget revenue in the Union budget before or on 31 December 2020.
2. In respect of a fine decided upon by the Union after 31 December 2020 in a procedure referred to in Article 92(1), the Union shall reimburse the United Kingdom for its share of the amount of the fine collected by the Union once that fine has become definitive.

3. The Union shall communicate to the United Kingdom by 31 March of each year, starting in 2022, the payments made during the previous year corresponding to the liabilities outstanding at 31 December 2020 and the amount of the contribution of the United Kingdom to those payments.
4. By 31 March of each year, starting in 2022, the Union shall communicate to the United Kingdom a specific document on pensions relating to the situation at 31 December of the preceding year in respect of the liability referred to in paragraph 2, which shall provide:
 - (a) the remaining amounts still to be paid in relation to the liabilities described in paragraph 5;

That document may be updated by 30 September of the same year to reflect the definitive figures for the preceding year.

5. With respect to the United Kingdom's liability for the pension rights and rights to other employment-related benefits referred to in paragraph 2 as regards pensions of the Members and EU high-level public office holders covered by Council Regulation 422/67/EEC, 5/67/Euratom¹, Decision 2005/684/EC, Euratom of the European Parliament² and Council Regulation (EU) 2016/300³, the United Kingdom shall contribute to the liabilities as they are recorded in the consolidated accounts of the Union for the financial year 2020 in 10 instalments starting on 31 October 2021.

6. With respect to the United Kingdom's liability for the pension rights and rights to other employment-related benefits referred to in paragraph 2 as regards pensions of officials of the Union established in accordance with Articles 77 to 84 of the Staff Regulations of Officials of the European Union and as regards the pensions of temporary staff, contract staff and parliamentary assistants established in accordance with Articles 33 to 40, Articles 101 to 114 and Article 135, respectively, of the Conditions of Employment of Other Servants of the European Union, the United Kingdom shall contribute annually to the net payments made from the Union budget to each beneficiary and to the related contribution of the Union budget to the JSIS for each beneficiary or person who benefits through a beneficiary. The payments of that contribution shall start on 30 June 2022.

For the pensions referred to in the first subparagraph, the payment by the United Kingdom shall be the sum of the net payments made by the Union budget in the preceding year for each beneficiary, multiplied by the United Kingdom's share and by a percentage that is specific to each beneficiary ("specific percentage"). The specific percentage shall be as follows:

- (a) for a beneficiary receiving pension on 1 January 2021, the specific percentage shall be 100 %;
- (b) for any other beneficiary of a pension, the specific percentage shall be calculated as the ratio between the pension rights acquired in accordance with the Staff Regulations of Officials of the European Union and in particular in Annex VIII thereto on or before 31 December 2020, including pension rights transferred in at that date, and the acquired pension rights at the date of retirement or death if earlier, or at the date the person leaves the scheme;

- (c) for the purposes of the contribution of the budget to the JSIS, the specific percentage shall be calculated as the ratio between the number of years during which the beneficiary contributed to the pension scheme until 31 December 2020 and the total number of years at retirement during which the beneficiary, or the person covered by the Staff Regulations of Officials of the European Union who is the basis for the rights under the JSIS, contributed to the pension scheme.

For a beneficiary of a survivor's pension or an orphan's pension established in accordance with the Staff Regulations of Officials of the European Union, the calculation shall be made on the basis of the career of the person covered by those Staff Regulations which is the basis for the survivor's pension or the orphan's pension.

As long as the liability in relation to this paragraph is not extinguished, in any given year ("year N") the United Kingdom may send the Union before 1 March of year N a request to pay the outstanding liability at 31 December of year N. The Union shall establish the amount of the outstanding liability in relation to the pension and JSIS post-employment benefits, using the same methodology as used in point (d) of paragraph 4. If the United Kingdom agrees, it shall pay that amount in five instalments, with the first payment taking place in the year N+1. The United Kingdom shall also cover its liability for the year N through the procedure set out in this paragraph. After that payment has been completed, and provided that the payments referred to in paragraph 5 have been completed, the remaining obligations under this Article shall be extinguished. The Committee on the financial provisions referred to in point (f) of Article 165(1) and the Joint Committee shall be informed of this situation.

- (a) any amounts recovered by the Union from defaulting debtors or related to undue payments;
and

- (b) any net revenue resulting from the difference between financial and operational revenues and financial and operational expenses, entered as revenue, general or assigned, in the Union budget.

For revenue of the asset management of the provisioning of instruments having a provisioning, the Union shall calculate a percentage of revenue as the ratio between the net revenue of the asset management of the previous year and the total provisioning existing at the end of the previous year. The amount of the liability toward the United Kingdom for revenue of the asset management of the provisioning shall be the amount obtained by multiplying the United Kingdom's current provisioning as referred to in paragraph 5 by that percentage of revenue.

3. By 31 March 2021, for each instrument referred to in paragraph 1 that provides for provisioning from the Union's budget, the Union shall communicate to the United Kingdom:

- (a) its initial provisioning, calculated as the United Kingdom's share of the sum of:
 - (i) the provisions made in the corresponding guarantee fund by 31 December 2020;
 - (ii) the amount of provisions committed and not yet paid by 31 December 2020; and

- (iii) the payments made from the date of entry into force of this Agreement until 31 December 2020 related to financial operations decided upon on or after the date of entry into force of this Agreement; and
 - (b) its default provisioning rate, calculated as the ratio between the United Kingdom's initial provisioning for that instrument and the amount of the financial operations referred to in paragraph 1 as at 31 December 2020 decided upon before the date of entry into force of this Agreement.
4. On 31 March of each year, starting in 2021, until the amortisation, expiry or termination of the financial operations referred to in paragraph 1, the Union shall communicate to the United Kingdom information concerning those financial operations. The information shall contain, for each type of instrument:
- (a) the contingent liabilities outstanding at 31 December of the preceding year;
 - (b) the payments made in the preceding year by the Union in relation to those financial operations and the amounts of such payments that have accumulated after 31 December 2020;
 - (c) the United Kingdom's current provisioning and its current provisioning rate as set out in paragraph 5;

- (d) the reimbursements made to the United Kingdom in the preceding year in accordance with point (a) of paragraph 6 and the amounts of such reimbursements that have accumulated after 31 December 2020;
- (e) the amounts recovered and the net revenues entered in the Union budget as referred to in paragraph 2 for the preceding year;
- (f) if necessary, other useful information concerning the financial operations in the preceding year.

5. By 31 March of each year, for each instrument referred to in paragraph 1, where the basic act establishes provisioning from the Union budget, the Union shall:

- (a) calculate the United Kingdom's current provisioning, defined as the amount of the United Kingdom's initial provisioning reduced by:
 - (i) the United Kingdom's share of the accumulated payments referred to in point (b) of paragraph 4 made from the Union budget after 31 December 2020 in relation to financial operations decided upon before the date of entry into force of this Agreement;

- (ii) the United Kingdom's share of the amount of decommitments made in the previous years on the outstanding commitments referred to in point (a)(ii) of paragraph 3 of this Article, as communicated pursuant to Article 140(3);
 - (iii) the accumulated level of reimbursements made to the United Kingdom as of 1 January 2021, as referred to in point (d) of paragraph 4;
- (b) communicate to the United Kingdom the current provisioning rate defined as the ratio between the United Kingdom's current provisioning and the amount of financial operations referred to in point (a) of paragraph 4.
6. Every year from 2022 onwards:
- (a) if the United Kingdom's current provisioning rate for an instrument exceeds its default provisioning rate for that instrument, the Union shall be liable to the United Kingdom for that instrument for the amount obtained by multiplying the amount of the financial liabilities referred to in point (a) of paragraph 4 by the difference between the current provisioning rate and the default provisioning rate. The Union's liability shall not exceed the United Kingdom's current provisioning as calculated in paragraph 5;

(b) if, in a given year, the United Kingdom's current provisioning rate for an instrument becomes negative, the United Kingdom shall be liable to the Union for that instrument for the amount of the negative current provisioning. In the following years, the United Kingdom shall be liable to the Union for that instrument for its share of the payments made as communicated in accordance with point (b) of paragraph 4 of this Article and the United Kingdom's share of the amount of decommitments made in the previous year on the outstanding commitments referred to in point (a)(ii) of paragraph 3 of this Article, as communicated pursuant to Article 140(3).

7. If the United Kingdom's current provisioning is positive once the Union's financial operations related to an instrument referred to in paragraph 1 are extinguished, the Union shall be liable to the United Kingdom for the amount of the United Kingdom's current provisioning as calculated in accordance with paragraph 5.

8. After 31 December 2020, if payments are made from the Union budget for the financial operations referred to in paragraph 1 in relation to an instrument for which the basic act does not establish provisioning, the United Kingdom shall be liable to the Union for that instrument for its share of the payments made as communicated in accordance with point (b) of paragraph 4.

9. For the purposes of this Article, where financial liabilities, payments, recoveries or other amounts relate to financial operations referred to in paragraph 1 but it cannot be directly determined whether they arise from a particular financial operation as a result of the application of risk mutualisation or subordination mechanisms, the relevant financial liabilities, payments, recoveries or other amounts that are required to be determined for the application of this Article shall be calculated on a pro-rata basis based on the ratio between the amount of financial operations decided upon or approved before the date of entry into force of this Agreement on 31 December of the year before the calculation is made and the total amount of financial operations on the latter date.

10. Where financial operations as referred to in paragraph 1 are non-amortising, such financial operations shall be considered after 10 years as amortising in proportion to the amortisation of the remaining amortising operations.

ARTICLE 144

Financial instruments under direct or indirect implementation financed by the programmes of the MFF 2014-2020 or under earlier financial perspectives

1. From the date of entry into force of this Agreement until the full amortisation of the financial operations referred to in point (a) of this subparagraph, the Union shall identify the financial operations that:
 - (a) before the date of entry into force of this Agreement, have been decided upon by the European Commission and, where necessary, approved by the financial institutions which have been entrusted by the European Commission with the implementation of a financial instrument under a programme of the MFF 2014-2020 or under earlier financial perspectives under direct or indirect implementation; and

- (b) the payments made by the European Commission for the financial instruments and the amounts committed for the financial instruments that have not yet been paid at that date.

The liability of the Union to the United Kingdom in relation to the financial operations referred to in this paragraph shall not be affected by a restructuring of those financial operations, to the extent that such restructuring does not increase the financial exposure to the counterparty, in nominal terms, as it stood immediately prior to the restructuring.

2. On 31 March of each year, starting in 2021, until their amortisation, expiry or termination, for each financial instrument referred to in paragraph 1, the Union shall communicate to the United Kingdom the available information regarding the financial operations referred to in paragraph 1 that have been decided upon or approved before the date of entry into force of this Agreement and those that have been decided upon or approved on or after that date. For each instrument, the information shall contain:

- (a) the financial liabilities as at 31 December of the preceding year arising from the financial operations decided upon by the European Commission, or approved by the entity entrusted by the European Commission with the implementation of the financial instrument, before the date of entry into force of this Agreement;
- (b) the total financial liabilities as at 31 December of the preceding year arising from the financial operations decided upon by the European Commission, or by the entity entrusted by the European Commission with the implementation of the instrument;
- (c) the ratio between the amounts referred to in points (a) and (b);
- (d) the payments made from the provisioning fund or from fiduciary accounts with the entrusted entities, where such payments relate to financial operations that were decided upon by the European Commission or were approved by the entity entrusted by the European Commission with the implementation of the financial instrument, after the date of entry into force of this Agreement;

- (e) the part of the amounts paid back to the Union in accordance with Article 209(3) of the Financial Regulation, other than the returns provided for in point (f) of this paragraph, related to financial operations decided upon or approved before the date of entry into force of this Agreement;
- (f) returns on resources of the financial instrument in the provisioning fund or in fiduciary accounts;
- (g) the part of the amount of the provisioning fund or fiduciary accounts which has not been disbursed and which has been recovered by the European Commission;
- (h) if necessary, other useful information concerning the financial operations in the preceding year.

3. The Union shall be liable to the United Kingdom for the United Kingdom's share of any amount referred in points (d) to (g) of paragraph 2.

4. For the purposes of this Article, where financial liabilities, payments, recoveries or other amounts relate to financial operations referred to in paragraph 1 but cannot be directly determined to arise from a particular financial operation as a result of the application of risk mutualisation or subordination mechanisms, the relevant financial liabilities, payments, recoveries or other amounts required to be determined for the application of this Article shall be calculated on a pro-rata basis, based on the ratio referred to in point (c) of paragraph 2.

CHAPTER 4

EUROPEAN INVESTMENT BANK

ARTICLE 150

Continued liability of the United Kingdom and reimbursement of the paid-in capital

1. The United Kingdom shall remain liable, as set out in this Article, for the financial operations approved by the EIB before the date of entry into force of this Agreement, as further specified in paragraph 2 ("EIB financial operations"), even if the resulting financial exposure is assumed on or after the date of entry into force of this Agreement, and shall remain liable for other risks assumed by the EIB as set out in the second subparagraph.

The liability of the United Kingdom shall extend to the EIB financial operations and to asset-liability management risks and operational risks attributable to the EIB financial operations, in accordance with paragraph 6. For other such risks that are not associated with specific financial operations and are not attributable to the stock of financial operations built after the date of entry into force of this Agreement, the amount of the liability of the United Kingdom shall be proportional to the ratio between the remaining exposure due to EIB financial operations and the total amount of financial operations at the time the liability of the United Kingdom is triggered in accordance with paragraph 6.

The implementation of any post-withdrawal growth strategy of the EIB is not covered by the scope of this Article.

2. The EIB financial operations shall include loans, guarantees, fund investments, equity investments, bonds and other loan substitute products, and any other financing operations, with counterparties or regarding projects inside and outside the territory of the Member States, including operations guaranteed by third parties including the Member States or the Union.

The liability of the United Kingdom for EIB financial operations shall apply where the financial exposure of the EIB:

- (a) is based on an approval by the Board of Directors of the EIB given prior to the date of entry into force of this Agreement, or based on a decision adopted on the basis of a delegation by the Board of Directors given prior to the date of entry into force of this Agreement;
- (b) results from the restructuring of an EIB financial operation, to the extent that such restructuring does not increase the financial exposure to the counterparty, in nominal terms, as it stood immediately prior to the restructuring;
- (c) results from a change to an EIB financial operation , where that change was approved by the Board of Directors of the EIB on or after the date of entry into force of this Agreement, to the extent that such change does not increase the financial exposure to the counterparty as it stood immediately prior to the change; or

- (d) results from the institutional participation of the EIB in the capital of the EIF and the European Bank for Reconstruction and Development, as it stood immediately prior to the date of entry into force of this Agreement.

For the purposes of establishing the limits on the liability of the United Kingdom pursuant to paragraphs 3 and 5, the exposure of the EIB on account of EIB financial operations which, due to their nature, are not subject to amortisation, in particular equity-type investments, revolving mandates granted to the EIF, and the participation in the capital of the EIF and the European Bank for Reconstruction and Development, shall be considered to amortise as follows: for a period of 10 years from the entry into force of this Agreement, the amount of the non-amortising exposure under the EIB financial operation shall be considered to remain at the amount as approved by the EIB prior to the entry into force of this Agreement, reduced by any disposal made by the EIB since this date. After this period, the amount shall be treated as decreasing in proportion to the amortisation of the remaining amortising exposure on account of EIB financial operations.

3. For the purposes of paragraph 1, the United Kingdom shall be liable for its share of the uncalled subscribed capital of the EIB as it stood immediately prior to the date of entry into force of this Agreement. The United Kingdom shall make payments to the EIB, up to the amount of its liability pursuant to this paragraph, when its liability is triggered in accordance with paragraph 6.

That total liability pursuant to this paragraph shall at no point exceed the amount of the United Kingdom's share of the uncalled subscribed capital of the EIB as it stood immediately prior to the date of entry into force of this Agreement.

When the amount of the remaining exposure of the EIB under the EIB financial operations referred to in paragraph 1 is lower than the total amount of subscribed capital of the EIB as it stood immediately prior to the date of entry into force of this Agreement, the amount of the liability of the United Kingdom pursuant to this paragraph shall, at any given time, be limited to the amount obtained by applying the ratio of the United Kingdom subscribed capital of the EIB and the total subscribed capital of the EIB as they stood immediately prior to the date of entry into force of this Agreement ("the United Kingdom share of the subscribed capital") to the difference between the amount of that remaining exposure at that time, and the total paid-in subscribed capital of the EIB as it stood immediately prior to the date of entry into force of this Agreement.

4. The EIB shall pay to the United Kingdom on behalf of the Union an amount equal to the United Kingdom's share of the paid-in subscribed capital of the EIB as it stood immediately prior to the date of entry into force of this Agreement. That payment shall be made in accordance with Protocol No 5 on the Statute of the European Investment Bank. It shall be made in 12 yearly instalments. The first 11 instalments, each equal to EUR 300 000 000, shall be due on 15 December of each year starting in 2019. The balance of EUR 195 903 950 shall be due on 15 December 2030. The payments made in accordance with this paragraph shall not release the United Kingdom from its liability under paragraph 5.

5. In addition to its liability under paragraph 3, for the purposes of paragraph 1, the United Kingdom shall be liable for its paid-in subscribed capital of the EIB as it stood immediately prior to the date of entry into force of this Agreement. The United Kingdom shall make payments to the EIB, up to the amount of its liability, in accordance with this paragraph, when its liability is triggered under paragraph 6.

The total liability pursuant to this paragraph shall at no point exceed the amount of the paid-in subscribed capital of the United Kingdom in the EIB as it stood immediately prior to the date of entry into force of this Agreement.

When the remaining exposure of the EIB on account of the EIB financial operations referred to in paragraph 1 is lower than the total paid-in subscribed capital of the EIB as it stood immediately prior to the date of entry into force of this Agreement, the amount of the liability of the United Kingdom pursuant to this paragraph shall, at any time, be limited to an amount obtained by applying the ratio of the United Kingdom share of the subscribed capital to the amount of that remaining exposure at that time.

6. The liability of the United Kingdom in accordance with this Article shall be triggered, on a *pari-passu* basis with respect to the Member States, in the event that the EIB requires the Member States to make payments on account of their uncalled subscribed capital or when the paid-in subscribed capital of the Member States is used.

When the liability of the United Kingdom pursuant to paragraph 3 is triggered, the United Kingdom shall pay the amount due to the EIB under the same conditions as apply to the Member States (including the timing and the terms of the payment), as decided by the Board of Directors of the EIB at the relevant time. The decision of the EIB requiring the Member States to make payments on account of their uncalled subscribed capital may, in particular, be related to the nature of underlying risk events and the financial position of the EIB in the light of its payment obligations, the state of its assets and liabilities, its standing in capital markets, and the provisions of its contingency and recovery planning as applicable at the relevant time.

When the liability of the United Kingdom pursuant to paragraph 5 is triggered, the United Kingdom shall pay the amount due to the EIB, in euro, within 30 days from the first demand from the EIB, and subject to the fourth subparagraph of this paragraph.

The liability of the United Kingdom triggered in accordance with paragraph 5 shall be fulfilled from the United Kingdom's share of paid-in subscribed capital of the EIB as it stood immediately prior to the date of entry into force of this Agreement up to the amount not yet paid to the United Kingdom in accordance with paragraph 4. The amount of annual instalments referred to in paragraph 4 shall be reduced accordingly. If the liability of the United Kingdom cannot be fully met in accordance with this method, the United Kingdom shall pay to the EIB the remaining amount due.

The EIB shall, on behalf of the Union, in each case establish the attribution of the events underlying the triggering of the liability of the United Kingdom to the relevant stock of financial operations or risks and the amount which the United Kingdom is obliged to pay to the EIB as follows:

- (a) to the extent that underlying events are attributable to EIB financial operations, or are attributable to associated asset-liability management risk or operational risk, the United Kingdom shall pay to the EIB an amount equal to the United Kingdom share of the subscribed capital of the total sum which the Member States are required to pay, or an amount equal to the United Kingdom share of the subscribed capital of the total sum by which the paid-in subscribed capital of the Member States is used, respectively;
- (b) to the extent that underlying events are attributable to other risks, and are not attributable to any specific financial operation or to the stock of financial operations built after the date of entry into force of this Agreement, the United Kingdom shall pay to the EIB the amount resulting from point (a) multiplied by the ratio of the remaining exposure due to EIB financial operations to the total amount of financial operations at the time the liability of the United Kingdom is triggered.

7. Except for the payments provided for in paragraph 4, the EIB shall not be obliged to make any other payment, return or remuneration on account of the termination of the membership of the United Kingdom of the EIB or on account of the retention by the United Kingdom of a liability in accordance with this Article.

8. On 31 July 2019, the EIB shall communicate to the United Kingdom the United Kingdom's exposure under the EIB financial operations, and the limit on the liability of the United Kingdom in accordance with paragraphs 3 and 5, reflecting the financial situation of the EIB and the liability of the United Kingdom as of the date of entry into force of this Agreement.

On 31 March of every year, starting in 2020, until the extinction of the liability of the United Kingdom in accordance with this Article, the EIB shall communicate to the United Kingdom the remaining exposure of the United Kingdom under the EIB financial operations, and the limit on the liability of the United Kingdom in accordance with paragraphs 3 and 5, reflecting the financial situation of the EIB and the liability of the United Kingdom as at 31 December of the preceding year. The report shall also disclose any material changes which, in the opinion of the EIB, have a material impact on the liability of the United Kingdom. The EIB shall also provide timely information if such changes occur during the year.

The EIB shall provide the United Kingdom with timely information regarding any upcoming triggering of the liability of the United Kingdom pursuant to this Article, in line with the information provided to the Member States. That information shall include information on the nature of the triggering event and the calculation of the amounts to be paid. The United Kingdom shall treat that information as strictly confidential until the EIB lifts the confidentiality or until the liability of the United Kingdom is triggered, whichever occurs first.

ARTICLE 151

Participation of the United Kingdom in EIB group after the withdrawal date

As from the date of entry into force of this Agreement, neither the United Kingdom nor projects located in the United Kingdom shall be eligible for new financial operations from the EIB group that are reserved for Member States, including those under Union mandates. Entities established in the United Kingdom shall be treated as entities located outside the Union.

The signature of financial operations relating to the United Kingdom, to United Kingdom entities, or to United Kingdom projects approved by the EIB group before the date of entry into force of this Agreement, may take place after that date on the same basis as that on which they were originally approved.

PART SIX

INSTITUTIONAL AND FINAL PROVISIONS

TITLE I

CONSISTENT INTERPRETATION AND APPLICATION

ARTICLE 158

References to the Court of Justice of the European Union concerning Part Two

1. Where, in a case which commenced at first instance within 8 years from the end of the transition period before a court or tribunal in the United Kingdom, a question is raised concerning the interpretation of Part Two of this Agreement, and where that court or tribunal considers that a decision on that question is necessary to enable it to give judgment in that case, that court or tribunal may request the Court of Justice of the European Union to give a preliminary ruling on that question.

However, where the subject matter of the case before the court or tribunal in the United Kingdom is a decision on an application made pursuant to Article 18(1) or (4) or pursuant to Article 19, a request for a preliminary ruling may be made only where the case commenced at first instance within a period of 8 years from the date from which Article 19 applies.

2. The Court of Justice of the European Union shall have jurisdiction to give preliminary rulings on requests pursuant to paragraph 1. The legal effects in the United Kingdom of such preliminary rulings shall be the same as the legal effects of preliminary rulings given pursuant to Article 267 TFEU in the Union and its Member States.

3. In the event that the Joint Committee adopts a decision under Article 132(1), the period of eight years referred to in the second subparagraph of paragraph 1 shall be automatically extended by the corresponding number of months by which the transition period is extended.

ARTICLE 159

Monitoring of the implementation and application of Part Two

1. In the United Kingdom, the implementation and application of Part Two shall be monitored by an independent authority (the "Authority") which shall have powers equivalent to those of the European Commission acting under the Treaties to conduct inquiries on its own initiative concerning alleged breaches of Part Two by the administrative authorities of the United Kingdom and to receive complaints from Union citizens and their family members for the purposes of conducting such inquiries. The Authority shall also have the right, following such complaints, to bring a legal action before a competent court or tribunal in the United Kingdom in an appropriate judicial procedure with a view to seeking an adequate remedy.
2. The European Commission and the Authority shall each annually inform the specialised Committee on citizens' rights referred to in point (a) of Article 165(1) on the implementation and application of Part Two in the Union and in the United Kingdom, respectively. The information provided shall, in particular, cover measures taken to implement or comply with Part Two and the number and nature of complaints received.
3. The Joint Committee shall assess, no earlier than 8 years after the end of the transition period, the functioning of the Authority. Following such assessment, it may decide, in good faith, pursuant to point (f) of Article 164(4) and Article 166, that the United Kingdom may abolish the Authority.

ARTICLE 160

Jurisdiction of the Court of Justice of the European Union concerning certain provisions of Part Five

Without prejudice to Article 87 of this Agreement, Articles 258, 260, and 267 TFEU shall apply in respect of the interpretation and application of applicable Union law referred to in Article 136 and Article 138(1) or (2) of this Agreement. To this effect, any reference made in Articles 258, 260, and 267 TFEU to a Member State shall be understood as including the United Kingdom.

ARTICLE 161

1. Where a court or tribunal of a Member State refers a question concerning the interpretation of this Agreement to the Court of Justice of the European Union for a preliminary ruling, the decision of the national court or tribunal containing that question shall be notified to the United Kingdom.
2. The provisions of Union law governing procedures brought before the Court of Justice of the European Union in accordance with Article 267 TFEU shall apply *mutatis mutandis* to requests for a ruling of the Court of Justice of the European Union made pursuant to Article 158 of this Agreement.

The provisions of Union law governing the procedure before the Court of Justice of the European Union shall apply in respect of the proceedings before the Court of Justice of the European Union and requests for preliminary rulings made in accordance with Article 160 of this Agreement.

3. In the cases brought before the Court of Justice of the European Union in accordance with paragraph 1 and Articles 158 and 160 of this Agreement and Article 12 of the Protocol on the Sovereign Base Areas:

- (a) the United Kingdom may participate in the proceedings before the Court of Justice of the European Union in the same way as a Member State;
- (b) lawyers authorised to practise before the courts or tribunals of the United Kingdom shall be entitled to represent or assist any parties to such proceedings before the Court of Justice of the European Union; in such cases those lawyers shall in every respect be treated as lawyers authorised to practise before courts of Member States representing or assisting a party before the Court of Justice of the European Union.

ARTICLE 162

Participation of the European Commission in cases pending in the United Kingdom

Where the consistent interpretation and application of this Agreement so requires, the European Commission may submit written observations to the courts and tribunals of the United Kingdom in pending cases where the interpretation of the Agreement is concerned. The European Commission may, with the permission of the court or tribunal in question, also make oral observations. The European Commission shall inform the United Kingdom of its intention to submit observations before formally making such submissions.

ARTICLE 163

Regular dialogue and exchange of information

In order to facilitate the consistent interpretation of this Agreement and in full deference to the independence of courts, the Court of Justice of the European Union and the United Kingdom's highest courts shall engage in regular dialogue, analogous to the dialogue in which the Court of Justice of the European Union engages with the highest courts of the Member States.

TITLE III

DISPUTE SETTLEMENT

ARTICLE 167

Cooperation

The Union and the United Kingdom shall at all times endeavour to agree on the interpretation and application of this Agreement, and shall make every attempt, through cooperation and consultations, to arrive at a mutually satisfactory resolution of any matter that might affect its operation.

ARTICLE 168

Exclusivity

For any dispute between the Union and the United Kingdom arising under this Agreement, the Union and the United Kingdom shall only have recourse to the procedures provided for in this Agreement.

ARTICLE 169

Consultations and communications within the Joint Committee

1. The Union and the United Kingdom shall endeavour to resolve any dispute regarding the interpretation and application of the provisions of this Agreement by entering into consultations in the Joint Committee in good faith, with the aim of reaching a mutually agreed solution. A party wishing to commence consultations shall provide written notice to the Joint Committee.
2. Any communication or notification between the Union and the United Kingdom provided for in this Title shall be made within the Joint Committee.

ARTICLE 170

Initiation of the arbitration procedure

1. Without prejudice to Article 160, if no mutually agreed solution has been reached within 3 months after a written notice has been provided to the Joint Committee in accordance with Article 169(1), the Union or the United Kingdom may request the establishment of an arbitration panel. Such request shall be made in writing to the other party and to the International Bureau of the Permanent Court of Arbitration. The request shall identify the subject matter of the dispute to be brought before the arbitration panel and a summary of the legal arguments in support of the request.

2. The Union and the United Kingdom may agree that the establishment of an arbitration panel may be requested before the expiry of the time limit laid down in paragraph 1.

ARTICLE 171

Establishment of the arbitration panel

1. The Joint Committee shall, no later than by the end of the transition period, establish a list of 25 persons who are willing and able to serve as members of an arbitration panel. To that end, the Union and the United Kingdom shall each propose ten persons. The Union and the United Kingdom shall also jointly propose five persons to act as chairperson of the arbitration panel. The Joint Committee shall ensure that the list complies with these requirements at any moment in time.

2. The list established pursuant to paragraph 1 shall only comprise persons whose independence is beyond doubt, who possess the qualifications required for appointment to the highest judicial office in their respective countries or who are jurisconsults of recognised competence, and who possess specialised knowledge or experience of Union law and public international law. That list shall not comprise persons who are members, officials or other servants of the Union institutions, of the government of a Member State, or of the government of the United Kingdom.

3. An arbitration panel shall be composed of five members.

4. Within 15 days of the date of a request in accordance with Article 170, the panel shall be established in accordance with paragraphs 5 and 6.

5. The Union and the United Kingdom shall each nominate two members from among the persons on the list established under paragraph 1. The chairperson shall be selected by consensus by the members of the panel from the persons jointly nominated by the Union and the United Kingdom to serve as a chairperson.

In the event that the members of the panel are unable to agree on the selection of the chairperson within the time limit laid down in paragraph 4, the Union or the United Kingdom may request the Secretary-General of the Permanent Court of Arbitration to select the chairperson by lot from among the persons jointly proposed by the Union and the United Kingdom to act as chairperson.

6. The Secretary-General of the Permanent Court of Arbitration shall make the selection referred to in second subparagraph of paragraph 5 within 5 days of the request referred to in paragraph 5. Representatives of the Union and of the United Kingdom shall be entitled to be present at the selection.

7. The date of establishment of the arbitration panel shall be the date on which the selection procedure is completed.

8. In the event that the list referred to in paragraph 1 has not been established by expiry of the time limit laid down in paragraph 4, the Union and the United Kingdom shall within 5 days each nominate two persons to serve as members of the panel. If persons have been proposed under paragraph 1, the nominations shall be made from among those persons. The chairperson shall then be appointed in accordance with the procedure set out in paragraph 5. In the event that the Union and the United Kingdom have not, within a further 5 days, jointly proposed at least one person to serve as chairperson, the Secretary-General of the Permanent Court of Arbitration shall within five days, after consultation with the Union and the United Kingdom, propose a chairperson who fulfils the requirements of paragraph 2. Unless either the Union or the United Kingdom objects to that proposal within 5 days, the person proposed by the Secretary-General of the Permanent Court of Arbitration shall be appointed.

9. In the event of failure to establish an arbitration panel within 3 months from the date of the request made pursuant to Article 170, the Secretary-General of the Permanent Court of Arbitration shall, upon request by either the Union or the United Kingdom, within 15 days of such request, after consultation with the Union and the United Kingdom, appoint persons who fulfil the requirements of paragraph 2 of this Article to constitute the arbitration panel.

ARTICLE 172

Rules of procedure

Dispute settlement procedures set out in this Title shall be governed by the rules of procedure set out in Part A of Annex IX ("Rules of Procedure"), the Joint Committee shall keep the functioning of those dispute settlement procedures under constant review and may amend the Rules of Procedure.

ARTICLE 173

Time-frame of the procedure before the arbitration panel

1. The arbitration panel shall notify its ruling to the Union, the United Kingdom and the Joint Committee within 12 months from the date of establishment of the arbitration panel. Where the arbitration panel considers that it cannot comply with this time limit, its chairperson shall notify the Union and the United Kingdom in writing, stating the reasons for the delay and the date on which the panel intends to conclude its work.
2. Within 10 days of the establishment of the arbitration panel the Union or the United Kingdom may submit a reasoned request to the effect that the case is urgent. In that case, the arbitration panel shall give a ruling on the urgency within 15 days from the receipt of such request. If it has determined the urgency of the case, the arbitration panel shall make every effort to notify its ruling to the Union and the United Kingdom within 6 months from the date of its establishment.

ARTICLE 174

Disputes raising questions of Union law

1. Where a dispute submitted to arbitration in accordance with this Title raises a question of interpretation of a concept of Union law, a question of interpretation of a provision of Union law referred to in this Agreement or a question of whether the United Kingdom has complied with its obligations under Article 89(2), the arbitration panel shall not decide on any such question. In such case, it shall request the Court of Justice of the European Union to give a ruling on the question. The Court of Justice of the European Union shall have jurisdiction to give such a ruling which shall be binding on the arbitration panel.

The arbitration panel shall make the request referred to in the first subparagraph after having heard the parties.

2. Without prejudice to the first sentence of the first subparagraph of paragraph 1, if the Union or the United Kingdom considers that a request in accordance with paragraph 1 is to be made, it may make submissions to the arbitration panel to that effect. In such case, the arbitration panel shall submit the request in accordance with paragraph 1 unless the question raised does not concern the interpretation of a concept of Union law, interpretation of a provision of Union law referred to in this Agreement, or does not concern whether the United Kingdom has complied with its obligations under Article 89(2). The arbitration panel shall provide reasons for its assessment. Within 10 days following the assessment, either party may request the arbitration panel to review its assessment, and a hearing shall be organised within 15 days of the request for the parties to be heard on the matter. The arbitration panel shall provide reasons for its assessment.

3. In the cases referred to in paragraphs 1 and 2, the time limits laid down in Article 173 shall be suspended until the Court of Justice of the European Union has given its ruling. The arbitration panel shall not be required to give its ruling less than 60 days from the date on which the Court of Justice of the European Union has given its ruling.

4. The first subparagraph of Article 161(2) and Article 161(3) shall apply *mutatis mutandis* to the procedures brought before the Court of Justice of the European Union in accordance with this Article.

ARTICLE 175

Compliance with the arbitration panel ruling

The arbitration panel ruling shall be binding on the Union and the United Kingdom. The Union and the United Kingdom shall take any measures necessary to comply in good faith with the arbitration panel ruling and shall endeavour to agree on the period of time to comply with the ruling in accordance with the procedure in Article 176.

ARTICLE 176

Reasonable period of time for compliance

1. No later than 30 days after the notification of the arbitration panel ruling to the Union and the United Kingdom, the respondent shall, if the panel has ruled in favour of the complainant, notify the complainant of the time it considers it will require for compliance (the "reasonable period of time").
2. If there is disagreement between the Union and the United Kingdom on the reasonable period of time to comply with the arbitration panel ruling, the complainant shall, within 40 days of the notification by the respondent under paragraph 1, request the original arbitration panel in writing to determine the length of the reasonable period of time. Such request shall be notified simultaneously to the respondent. The arbitration panel shall notify its decision on the period for compliance to the Union and the United Kingdom within 40 days of the date of submission of the request.

3. In the event of the original arbitration panel, or some of its members, being unable to reconvene to consider a request under paragraph 2, a new arbitration panel shall be established as set out in Article 171. The time limit for notifying the decision shall be 60 days from the date of establishment of the new arbitration panel.

4. The respondent shall inform the complainant in writing of its progress in complying with the arbitration panel ruling referred to in Article 173 at least 1 month before the expiry of the reasonable period of time.

5. The reasonable period of time may be extended by mutual agreement of the Union and the United Kingdom.

ARTICLE 177

Review of any measure taken to comply with the arbitration panel ruling

1. The respondent shall notify the complainant before the end of the reasonable period of time of any measure that it has taken to comply with the arbitration panel ruling.

2. If, at the end of the reasonable period, the complainant considers that the respondent has failed to comply with the arbitration panel ruling referred to in Article 173, the complainant may request the original arbitration panel in writing to rule on the matter. The arbitration panel shall notify its ruling to the Union and the United Kingdom within 90 days of the date of submission of the request.

3. In the event of the original arbitration panel, or some of its members, being unable to reconvene to consider a request under paragraph 2, a new arbitration panel shall be established as set out in Article 171. The time limit for notifying the ruling shall be 60 days from the date of establishment of the new arbitration panel.

4. Where a case referred to the arbitration panel pursuant to paragraph 2 raises a question of interpretation of a concept of Union law or a question of interpretation of a provision of Union law referred to in this Agreement, Article 174 shall apply *mutatis mutandis*.

ARTICLE 178

Temporary remedies in case of non-compliance

1. If the arbitration panel rules in accordance with Article 177(2) that the respondent has failed to comply with the arbitration panel ruling referred to in Article 173, at the request of the complainant it may impose a lump sum or penalty payment to be paid to the complainant. In determining the lump sum or penalty payment, the arbitration panel shall take into account the seriousness of the non-compliance and underlying breach of obligation, the duration of the non-compliance and underlying breach of obligation.

2. If, 1 month after the arbitration panel ruling referred to in paragraph 1, the respondent has failed to pay any lump sum or penalty payment imposed on it, or if, 6 months after the arbitration panel ruling referred to in Article 177(2), the respondent persists in not complying with the arbitration panel ruling referred to in Article 173, the complainant shall be entitled, upon notification to the respondent, to suspend obligations arising from:

- (a) any provision of this Agreement other than those contained in Part Two; or
- (b) parts of any other agreement between the Union and the United Kingdom under the conditions set out in that agreement.

The notification shall specify the provisions which the complainant intends to suspend. Before deciding to suspend parts of an agreement referred to in point (b) the complainant shall first consider whether the suspension of the provision of this Agreement in accordance with point (a) would be an appropriate response to the breach. Any suspension shall be proportionate to the breach of obligation concerned, taking into account the gravity of the breach and the rights in question and, where the suspension is based on the fact that the respondent persists in not complying with the arbitration panel ruling referred to in Article 173, whether a penalty payment has been imposed on the respondent and has been paid or is still being paid by the latter.

The complainant may implement the suspension at any moment but not earlier than 10 days after the date of the notification, unless the respondent has requested arbitration under paragraph 3.

3. If the respondent considers that the extent of the suspension set out in the notification referred to in paragraph 2 is not proportionate, it may request the original arbitration panel in writing to rule on the matter. Such request shall be notified to the complainant before the expiry of the 10-day period referred to in paragraph 2. The arbitration panel shall notify its ruling to the Union and the United Kingdom within 60 days of the date of submission of the request. Obligations shall not be suspended until the arbitration panel has notified its ruling, and any suspension shall be consistent with the arbitration panel ruling.

4. In the event of the original arbitration panel, or some of its members, being unable to reconvene to consider a request under paragraph 2, a new arbitration panel shall be established as set out in Article 171. In such cases, the period for notifying the ruling shall be 90 days from the date of establishment of the new arbitration panel.

5. The suspension of obligations shall be temporary and shall be applied only until any measure found to be inconsistent with the provisions of this Agreement has been withdrawn or amended, so as to achieve conformity with the provisions of this Agreement, or until the Union and the United Kingdom have agreed to otherwise settle the dispute.

ARTICLE 179

Review of any measure taken after temporary remedies

1. Where the complainant has suspended obligations in accordance with Article 178 or where the arbitration panel has imposed a penalty payment on the respondent in accordance with Article 178(1), the respondent shall notify the complainant of any measure it has taken to comply with the ruling of the arbitration panel and of its request for an end to the suspension of obligations applied by the complainant or to the penalty payment.

2. If the Union and the United Kingdom do not reach an agreement on whether the notified measure brings the respondent into conformity with the provisions of this Agreement within 45 days of the date of submission of the notification, either party may request the original arbitration panel in writing to rule on the matter. Such request shall be notified simultaneously to the other party. The arbitration panel ruling shall be notified to the Union and the United Kingdom and to the Joint Committee within 75 days of the date of submission of the request.

If the arbitration panel rules that the respondent has brought itself into conformity with this Agreement, or if the complainant does not, within 45 days of the submission of the notification referred to in paragraph 1, request that the original arbitration panel rule on the matter:

- (a) the suspension of obligations shall be terminated within 15 days of either the ruling of the arbitration panel or the end of the 45-day period;

(b) the penalty payment shall be terminated on the day after either the ruling of the arbitration panel or the end of the 45-day period.

3. In the event of the original arbitration panel, or some of its members, being unable to reconvene to consider a request under paragraph 2, a new arbitration panel shall be established as set out in Article 171. The period for notifying the ruling shall in that case be 90 days from the date of establishment of the new arbitration panel.

4. Where a case referred to the arbitration panel pursuant to paragraph 2 raises a question of interpretation of a concept of Union law or a question of interpretation of a provision of Union law referred to in this Agreement, Article 174 shall apply *mutatis mutandis*.

ARTICLE 180

Arbitration panel decisions and rulings

1. The arbitration panel shall make every effort to take decisions by consensus. Where, nevertheless, a decision cannot be arrived at by consensus, the matter at issue shall be decided by majority vote. However, in no case dissenting opinions of members of an arbitration panel shall be published.

2. Any ruling of the arbitration panel shall be binding on the Union and the United Kingdom. The ruling shall set out the findings of fact, the applicability of the relevant provisions of this Agreement, and the reasoning behind any findings and conclusions. The Union and the United Kingdom shall make the arbitration panel rulings and decisions publicly available in their entirety, subject to the protection of confidential information.

ARTICLE 181

Members of an arbitration panel

1. The members of an arbitration panel shall be independent, shall serve in their individual capacity and shall not take instructions from any organisation or government, and shall comply with the Code of Conduct set out in Part B of Annex IX. The Joint Committee may amend that Code of Conduct.
2. The members of an arbitration panel shall, as from the establishment thereof, enjoy immunity from legal proceedings in the Union and the United Kingdom with respect to acts performed by them in the exercise of their functions on that arbitration panel.

PROTOCOL ON IRELAND/NORTHERN IRELAND

The Union and the United Kingdom,

HAVING REGARD to the historic ties and enduring nature of the bilateral relationship between Ireland and the United Kingdom,

RECALLING that the United Kingdom's withdrawal from the Union presents a significant and unique challenge to the island of Ireland, and reaffirming that the achievements, benefits and commitments of the peace process will remain of paramount importance to peace, stability and reconciliation there,

RECOGNISING that it is necessary to address the unique circumstances on the island of Ireland through a unique solution in order to ensure the orderly withdrawal of the United Kingdom from the Union,

RECALLING that the Withdrawal Agreement, which is based on Article 50 TEU, does not aim at establishing a permanent future relationship between the Union and the United Kingdom,

RECALLING the Union's and the United Kingdom's intention to replace the backstop solution on Northern Ireland by a subsequent agreement that establishes alternative arrangements for ensuring the absence of a hard border on the island of Ireland on a permanent footing;

HAVING REGARD to the Union and to the United Kingdom's common objective of a close future relationship, which will establish ambitious customs arrangements that build on the single customs territory provided for in this Protocol, in full respect of their respective legal orders,

AFFIRMING that the Good Friday or Belfast Agreement of 10 April 1998 between the Government of the United Kingdom, the Government of Ireland and the other participants in the multi-party negotiations (the "1998 Agreement"), which is annexed to the British-Irish Agreement of the same date (the "British-Irish Agreement"), including its subsequent implementation agreements and arrangements, should be protected in all its parts,

RECOGNISING that cooperation between Northern Ireland and Ireland is a central part of the 1998 Agreement and is essential for achieving reconciliation and the normalisation of relationships on the island of Ireland, and recalling the roles, functions and safeguards of the Northern Ireland Executive, the Northern Ireland Assembly, and the North-South Ministerial Council (including cross-community provisions), as set out in the 1998 Agreement,

NOTING that Union law has provided a supporting framework to the provisions on Rights, Safeguards and Equality of Opportunity of the 1998 Agreement,

RECOGNISING that Irish citizens in Northern Ireland, by virtue of their Union citizenship, will continue to enjoy, exercise and have access to rights, opportunities and benefits, and that this Protocol should respect and be without prejudice to the rights, opportunities and identity that come with citizenship of the Union for the people of Northern Ireland who choose to assert their right to Irish citizenship as defined in Annex 2 of the British-Irish Agreement "Declaration on the Provisions of Paragraph (vi) of Article 1 in Relation to Citizenship",

RECALLING the commitment of the United Kingdom to protect North-South cooperation and its guarantee of avoiding a hard border, including any physical infrastructure or related checks and controls, and bearing in mind that any future arrangements must be compatible with these overarching requirements,

NOTING that nothing in this Protocol prevents the United Kingdom from ensuring unfettered market access for goods moving from Northern Ireland to the rest of the United Kingdom's internal market,

UNDERLINING the parties' shared aim of avoiding, to the extent possible in accordance with applicable legislation and taking into account their respective regulatory regimes as well as their implementation, controls at the ports and airports of Northern Ireland,

RECALLING that the Joint Report from the negotiators of the European Union and the United Kingdom Government on progress during phase 1 of negotiations under Article 50 TEU on the United Kingdom's orderly withdrawal from the European Union of 8 December 2017 outlines three different scenarios for protecting North-South cooperation and avoiding a hard border, but that this Protocol is based on the third scenario of maintaining full alignment with those rules of the Union's internal market and the customs union which, now or in the future, support North-South cooperation, the all-island economy and the protection of the 1998 Agreement, to apply unless and until an alternative arrangement implementing another scenario is agreed,

NOTING that, in accordance with Article 132 of the Withdrawal Agreement, the transition period may be extended by mutual consent,

RECALLING that the two Parties have carried out a mapping exercise, which shows that North-South cooperation relies to a significant extent on a common European Union legal and policy framework,

NOTING that therefore the United Kingdom's departure from the European Union gives rise to substantial challenges to the maintenance and development of North-South cooperation,

RECALLING that the United Kingdom remains committed to protecting and supporting continued North-South and East-West cooperation across the full range of political, economic, security, societal and agricultural contexts and frameworks of cooperation, including the continued operation of the North-South implementation bodies,

ACKNOWLEDGING the need for this Protocol to be implemented so as to maintain the necessary conditions for continued North-South cooperation, including for possible new arrangements in accordance with the 1998 Agreement,

RECALLING the Union and the United Kingdom's commitments to the North South PEACE and INTERREG funding programmes under the current multi-annual financial framework and to the maintaining of the current funding proportions for the future programme,

AFFIRMING the commitment of the United Kingdom to facilitate the efficient and timely transit through its territory of goods moving from Ireland to another Member State or another third country, or vice versa,

DETERMINED that the application of this Protocol should impact as little as possible on the everyday life of communities both in Ireland and Northern Ireland,

MINDFUL that the rights and obligations of Ireland under the rules of the Union's internal market and customs union must be fully respected,

HAVE AGREED UPON the following provisions, which shall be annexed to the Agreement on the withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community ("Withdrawal Agreement"):

ARTICLE 1

Objectives and relationship to subsequent agreement

1. This Protocol is without prejudice to the provisions of the 1998 Agreement regarding the constitutional status of Northern Ireland and the principle of consent, which provides that any change in that status can only be made with the consent of a majority of its people.
2. This Protocol respects the essential State functions and territorial integrity of the United Kingdom.
3. This Protocol sets out arrangements necessary to address the unique circumstances on the island of Ireland, maintain the necessary conditions for continued North-South cooperation, avoid a hard border and protect the 1998 Agreement in all its dimensions.
4. **The objective of the Withdrawal Agreement is not to establish a permanent relationship between the Union and the United Kingdom.** The provisions of this Protocol are therefore intended to apply only temporarily, taking into account the commitments of the Parties set out in Article 2(1). The provisions of this Protocol shall apply unless and until they are superseded, in whole or in part, by a subsequent agreement.

ARTICLE 2

Subsequent agreement

1. The Union and the United Kingdom shall use their best endeavours to conclude, by 31 December 2020, an agreement which supersedes this Protocol in whole or in part.
2. Any subsequent agreement between the Union and the United Kingdom shall indicate the parts of this Protocol which it supersedes. Once a subsequent agreement between the Union and the United Kingdom becomes applicable after the entry into force of the Withdrawal Agreement, this Protocol shall then, from the date of application of such subsequent agreement and in accordance with the provisions of that agreement setting out the effect of that agreement on this Protocol, not apply or shall cease to apply, as the case may be, in whole or in part, notwithstanding Article 20.

ARTICLE 3

Extension of the transition period

The United Kingdom, having had regard to progress made towards conclusion of the agreement referred to in Articles 1(4) and 2(1) of this Protocol, may at any time before 1 July 2020 request the extension of the transition period referred to in Article 126 of the Withdrawal Agreement. If the United Kingdom makes such a request, the transition period may be extended in accordance with Article 132 of the Withdrawal Agreement.

ARTICLE 4

Rights of individuals

1. The United Kingdom shall ensure that no diminution of rights, safeguards and equality of opportunity as set out in that part of the 1998 Agreement entitled Rights, Safeguards and Equality of Opportunity results from its withdrawal from the Union, including in the area of protection against discrimination as enshrined in the provisions of Union law listed in Annex 1 to this Protocol, and shall implement this paragraph through dedicated mechanisms.
2. The United Kingdom shall continue to facilitate the related work of the institutions and bodies set up pursuant to the 1998 Agreement, including the Northern Ireland Human Rights Commission, the Equality Commission for Northern Ireland and the Joint Committee of representatives of the Human Rights Commissions of Northern Ireland and Ireland, in upholding human rights and equality standards.

ARTICLE 5

Common Travel Area

1. The United Kingdom and Ireland may continue to make arrangements between themselves relating to the movement of persons between their territories (the "Common Travel Area"), while fully respecting the rights of natural persons conferred by Union law.

2. The United Kingdom shall ensure that the Common Travel Area and the associated rights and privileges can continue to apply without affecting the obligations of Ireland under Union law, in particular with respect to free movement for Union citizens and their family members, irrespective of their nationality, to, from and within Ireland.

ARTICLE 6

Single customs territory, movement of goods

1. Until the future relationship becomes applicable, a single customs territory between the Union and the United Kingdom shall be established ("the single customs territory"). Accordingly, Northern Ireland is in the same customs territory as Great Britain.

The single customs territory shall comprise:

- (a) the customs territory of the Union defined in Article 4 of Regulation (EU) No 952/2013; and
- (b) the customs territory of the United Kingdom.

The rules set out in Annex 2 to this Protocol shall apply in respect of all trade in goods between the territories referred to in the second subparagraph, as well as, where so provided, between the single customs territory and third countries. With a view to ensuring the maintenance of the level playing field conditions required for the proper functioning of this paragraph, the provisions set out in Annex 4 to this Protocol shall apply. Where appropriate, the Joint Committee may modify Annex 4 in order to lay down higher standards for these level playing field conditions.

The Joint Committee shall adopt before 1 July 2020 the detailed rules relating to trade in goods between the two parts of the single customs territory for the implementation of this paragraph. In the absence of such a decision adopted before 1 July 2020, Annex 3 shall apply.

By derogation from the third subparagraph, fishery and aquaculture products, as set out in Annex I to Regulation (EU) 1379/2013 ("fishery and aquaculture products"), shall not be covered by the rules set out in Annexes 2 and 4, as well as the rules referred to in the fourth subparagraph, unless an agreement on access to waters and fishing opportunities is applicable between the Union and the United Kingdom. In accordance with Article 184 of the Withdrawal Agreement, the Union and the United Kingdom shall use their best endeavours to conclude and ratify such an agreement before 1 July 2020.

The Joint Committee may adopt decisions amending Annex 3 to this Protocol, where such amendments are necessary for the proper functioning of this paragraph. Such decisions may not amend the essential elements of this Protocol or the Withdrawal Agreement.

The second subparagraph of this paragraph is without prejudice to the specific arrangements set out in the Protocol relating to the Sovereign Base Areas of the United Kingdom of Great Britain and Northern Ireland in Cyprus.

2. Legislation as defined in point (2) of Article 5 of Regulation (EU) No 952/2013 of the European Parliament and of the Council¹ shall apply to and in the United Kingdom in respect of Northern Ireland (not including the territorial waters of the United Kingdom). However, the Joint Committee shall establish the conditions, including in quantitative terms, under which certain fishery and aquaculture products brought into the customs territory of the Union defined in Article 4 of Regulation (EU) No 952/2013 by vessels flying the flag of the United Kingdom and registered in Northern Ireland are exempted from duties.

The provisions of Union law listed in Annex 5 to this Protocol shall also apply, under the conditions set out therein, to and in the United Kingdom in respect of Northern Ireland.

Articles 30 and 110 TFEU shall apply to and in the United Kingdom in respect of Northern Ireland. Quantitative restrictions on exports and imports shall be prohibited between the Union and Northern Ireland.

¹ Regulation (EU) No 952/2013 of the European Parliament and of the Council of 9 October 2013 laying down the Union Customs Code (OJ L 269, 10.10.2013, p. 1).

ARTICLE 7

Protection of the UK internal market

1. Nothing in this Protocol shall prevent the United Kingdom from ensuring unfettered market access for goods moving from Northern Ireland to the rest of the United Kingdom's internal market. Provisions of Union law made applicable by this Protocol which prohibit or restrict the exportation of goods shall only be applied to trade between the territories referred to in Article 6(1) to the extent strictly required by any international obligations incumbent on the Union. The United Kingdom shall ensure the full protection of international requirements and commitments that are relevant to the prohibitions and restrictions of exportation of goods from the Union to third countries as set out in Union law.

2. Having regard to Northern Ireland's integral place in the United Kingdom's internal market, the Union and the United Kingdom shall use their best endeavours to facilitate, in accordance with applicable legislation and taking into account their respective regulatory regimes as well as their implementation, the trade between the part of the territory of the United Kingdom to which Regulation (EU) No 952/2013 applies by virtue of Article 6(2) and other parts of the territory of the United Kingdom. The Joint Committee shall keep under constant review the application of this paragraph and adopt appropriate recommendations with a view to avoiding, to the extent possible, controls at the ports and airports of Northern Ireland.

3. Nothing in this Protocol shall prevent a product originating from Northern Ireland from being presented as originating from the United Kingdom when placed on the market in Great Britain.

4. Nothing in this Protocol shall affect the law of the United Kingdom regulating the placing on the market in other parts of the United Kingdom of goods from Northern Ireland that conform with or benefit from technical regulations, assessments, registrations, certificates, approvals or authorisations governed by provisions of Union law referred to in Annex 5.

ARTICLE 8

Technical regulations, assessments, registrations, certificates, approvals and authorisations

1. Without prejudice to the provisions of Union law referred to in Annex 5, the lawfulness of placing goods on the market in Northern Ireland shall be governed by the law of the United Kingdom as well as, as regards goods imported from the Union, by Articles 34 and 36 TFEU.

2. Where provisions of Union law made applicable by this Protocol provide for the indication of a Member State, including in abbreviated form, as markings, labelling, tags, or by any other means, the United Kingdom in respect of Northern Ireland shall be indicated as "UK(NI)" or "United Kingdom (Northern Ireland)". Where provisions of Union law made applicable by this Protocol provide for the indication in the form of a numeric code, the United Kingdom in respect of Northern Ireland shall be indicated with a distinguishable numeric code.

3. By way of derogation from Article 15(1) of this Protocol and from Article 7 of the Withdrawal Agreement, in respect of the recognition in one Member State of technical regulations, assessments, registrations, certificates, approvals and authorisations issued by the authorities of another Member State, or by a body established in another Member State, references to Member States in provisions of Union law made applicable by this Protocol shall not be read as including the United Kingdom in respect of Northern Ireland as regards technical regulations, assessments, registrations, certificates, approvals and authorisations issued by the authorities of the United Kingdom or by bodies established in the United Kingdom.

The first subparagraph shall not apply to registrations, certifications, approvals and authorisations of sites, installations or premises in Northern Ireland issued by competent authorities of the United Kingdom, where the registration, certification, approval or authorisation may require an inspection of the sites, installations or premises.

The first subparagraph shall not apply to veterinary certificates, and official labels for plant reproductive material, required in provisions of Union law made applicable by this protocol.

The first subparagraph is without prejudice to the validity, in Northern Ireland, of assessments, registrations, certificates, approvals and authorisations issued, on the basis of provisions of Union law made applicable by this Protocol, by the competent authorities of the United Kingdom or by bodies established in the United Kingdom. Any conformity marking, logo or similar required by the provisions of Union law made applicable by this Protocol which is affixed by economic operators based on the assessment, registration, certificate, approval or authorisation issued by competent authorities of the United Kingdom or by bodies established in the United Kingdom shall be accompanied by the indication "UK(NI)".

The United Kingdom in respect of Northern Ireland may not initiate objection, safeguard or arbitration procedures provided for in provisions of Union law made applicable by this Protocol as far as these procedures concern the technical regulations, standards, assessments, registrations, certificates, approvals and authorisations issued by competent authorities of the Member State or by bodies established in Member States.

The first subparagraph does not prevent the test and release by a qualified person in Northern Ireland of a batch of a medicinal product imported into or manufactured in Northern Ireland.

ARTICLE 9

VAT and excise

The provisions of Union law listed in Annex 6 to this Protocol concerning goods shall apply to and in the United Kingdom in respect of Northern Ireland.

The Joint Committee shall regularly discuss the implementation of this Article, and where appropriate, adopt the necessary measures for its proper application.

ARTICLE 10

Agriculture and environment

The provisions of Union law listed in Annex 5 to this Protocol shall apply, under the conditions set out therein, to and in the United Kingdom in respect of Northern Ireland.

ARTICLE 11

Single electricity market

The provisions of Union law governing wholesale electricity markets listed in Annex 7 to this Protocol shall apply, under the conditions set out therein, to and in the United Kingdom in respect of Northern Ireland.

ARTICLE 12

State aid

1. The provisions of Union law listed in Annex 8 to this Protocol shall apply to the United Kingdom, including with regard to measures supporting the production of and trade in agricultural products in Northern Ireland, in respect of measures that affect that trade between the part of the territory of the United Kingdom to which Regulation (EU) No 952/2013 applies by virtue of Article 6(2) of this Protocol and the Union which is subject to this Protocol.

2. Notwithstanding paragraph 1, the provisions of Union law referred to in that paragraph shall not apply with respect to measures taken by the United Kingdom authorities supporting the production of and trade in agricultural products in Northern Ireland up to a determined maximum overall annual level of support, and provided that a determined minimum percentage of that exempted support complies with the provisions of Annex 2 to the WTO Agreement on Agriculture. The determination of the maximum exempted overall annual level of support and the minimum percentage shall be governed by the procedures set out in Annex 9.

3. Where the European Commission examines information regarding a measure by the United Kingdom authorities that may constitute unlawful aid subject to paragraph 1, it shall ensure that the United Kingdom is kept fully and regularly informed of the progress and outcome of the examination of that measure.

The European Commission and the independent authority referred to in Article 9 of Annex 4 shall establish the administrative arrangements necessary to the proper implementation of this Article and Part Four of Annex 4 respectively, and keep those arrangements under review.

ARTICLE 13

Other areas of North-South cooperation

1. Consistent with the arrangements set out in Article 6(2) and Articles 7 to 12 of this Protocol, and in full respect of Union law, this Protocol shall be implemented and applied so as to maintain the necessary conditions for continued North-South cooperation, including in the areas of environment, health, agriculture, transport, education and tourism, as well as in the areas of energy, telecommunications, broadcasting, inland fisheries, justice and security, higher education and sport. In full respect of Union law, the United Kingdom and Ireland may continue to make new arrangements that build on the provisions of the 1998 Agreement in other areas of North-South cooperation on the island of Ireland.
2. The Joint Committee shall keep under constant review the extent to which the implementation and application of this Protocol maintains the necessary conditions for North-South cooperation. The Joint Committee may make appropriate recommendations to the Union and the United Kingdom in this respect, including on recommendation from the Specialised Committee.

ARTICLE 14

Implementation, application, supervision and enforcement

1. Without prejudice to paragraph 4, the authorities of the United Kingdom shall be responsible for implementing and applying the provisions of Union law made applicable by this Protocol to and in the United Kingdom in respect of Northern Ireland.

2. Without prejudice to paragraph 4, Union representatives shall have the right to be present during and receive, upon request, all relevant information relating to any activities of the United Kingdom authorities related to the implementation and application of provisions of Union law made applicable by this Protocol. The United Kingdom shall facilitate that presence of Union representatives and provide them with the information requested. Where the Union representative requests the United Kingdom authorities to carry out control measures in individual cases for duly stated reasons, the United Kingdom authorities shall carry out those control measures.

3. The practical working arrangements related to the exercise of the rights of Union representatives referred to in paragraph 2 shall be determined by the Joint Committee, upon proposal from the Specialised Committee.

4. As regards Article 6(2), and Articles 8 to 12 of this Protocol, as well as Article 7(1) of Annex 4 to this Protocol in respect of measures of the Member States, the institutions, bodies, offices, and agencies of the Union shall in relation to the United Kingdom, and natural and legal persons residing or established in the territory of the United Kingdom, have the powers conferred upon them by Union law. In particular, the Court of Justice of the European Union shall have jurisdiction as provided for in the Treaties in this respect. The second and third subparagraphs of Article 267 TFEU shall apply to and in the United Kingdom in this respect.

5. Acts of the institutions, bodies, offices, and agencies adopted in accordance with paragraph 4 shall produce in respect of and in the United Kingdom the same legal effects as those which they produce within the Union and its Member States.

6. When representing or assisting a party in relation to administrative procedures arising from the exercise of the powers of the institutions, bodies, offices, and agencies of the Union referred to in paragraph 4, lawyers authorised to practise before the courts or tribunals of the United Kingdom shall in every respect be treated as lawyers authorised to practise before courts or tribunals of Member States who represent or assist a party in relation to such administrative procedures.

7. In cases brought before the Court of Justice of the European Union pursuant to paragraph 4:

- (a) the United Kingdom may participate in the proceedings before the Court of Justice of the European Union in the same way as a Member State;
- (b) lawyers authorised to practise before the courts or tribunals of the United Kingdom may represent or assist a party before the Court of Justice of the European Union in such proceedings and shall in every respect be treated as lawyers authorised to practise before courts or tribunals of Member States representing or assisting a party before the Court of Justice of the European Union.

ARTICLE 15

Common provisions

1. For the purposes of this Protocol, any reference to the United Kingdom in the applicable provisions of the Withdrawal Agreement shall be read as referring to the United Kingdom or the United Kingdom in respect of Northern Ireland, as the case may be.

Notwithstanding any other provisions of this Protocol, any reference in the applicable provisions of the Withdrawal Agreement and of this Protocol, as well as in the provisions of Union law made applicable to and in the United Kingdom in respect of Northern Ireland by this Protocol, to the territory defined in Article 4 of Regulation (EU) No 952/2013 shall be read as including the part of the territory of the United Kingdom to which Regulation (EU) No 952/2013 applies by virtue of Article 6(2) of this Protocol.

For the purposes of the first subparagraph of Article 6(1), the term "customs territory" shall have the same meaning as in Article XXIV of the General Agreement on Tariffs and Trade 1994.

Titles I and III of Part Three, as well as Part Six shall apply without prejudice to the provisions of this Protocol.

2. For the purposes of Article 6(1) of this Protocol:

- "third country" shall mean a country or territory which does not belong to the customs territories referred to in Article 6(1) of this Protocol;
- "part of the single customs territory" shall mean, on the one hand, the customs territory of the Union defined in Article 4 of Regulation (EU) No 952/2013 and, on the other hand, the United Kingdom customs territory.

3. Notwithstanding Articles 4(4) and 4(5) of the Withdrawal Agreement, the provisions of this Protocol referring to Union law or concepts or provisions thereof shall in their implementation and application be interpreted in conformity with the relevant case law of the Court of Justice of the European Union.

4. Notwithstanding Article 6(1) of the Withdrawal Agreement, and unless otherwise provided, where this Protocol makes reference to a Union act, the reference to that act shall be read as referring to it as amended or replaced.

5. Where the Union adopts a new act that falls within the scope of this Protocol, but neither amends nor replaces a Union act listed in the Annexes to this Protocol, the Union shall inform the United Kingdom of this adoption in the Joint Committee. Upon request of the Union or the United Kingdom, the Joint Committee shall hold an exchange of views on the implications of the newly adopted act for the proper functioning of this Protocol within 6 weeks after the request.

As soon as reasonably practical after the Union has informed the United Kingdom in the Joint Committee, the Joint Committee shall either:

- (a) adopt a decision adding the newly adopted act to the relevant Annex of this Protocol; or
- (b) where an agreement on adding the newly adopted act to the relevant Annex to this Protocol cannot be reached, examine all further possibilities to maintain the good functioning of this Protocol and take any decision necessary to this effect.

If the Joint Committee has not taken a decision within a reasonable time, the Union shall be entitled, after giving notice to the United Kingdom, to take appropriate remedial measures. Such measures shall take effect at the earliest 6 months after the Union informed the United Kingdom in accordance with the first subparagraph, but in no event earlier than the date on which the newly adopted act is implemented in the Union.

6. By way of derogation from paragraph 1 of this Article and from Article 7 of the Withdrawal Agreement, unless the Union considers that full or partial access by the United Kingdom or the United Kingdom in respect of Northern Ireland, as the case may be, is strictly necessary to enable the United Kingdom to comply with its obligations under this Protocol, including because access to the relevant information cannot be facilitated by the working group referred to in Article 17 of this Protocol or by any other practical means, the following shall apply: in respect of access to any network, information system, or database established on the basis of Union law, references to Member States and competent authorities of Member States in provisions of Union law made applicable by this Protocol shall not be read as including the United Kingdom or the United Kingdom in respect of Northern Ireland, as the case may be.

7. Authorities of the United Kingdom shall not act as leading authority for risk assessments, examinations, approvals and authorisation procedures provided for in Union law made applicable by this Protocol.

8. Articles 346 and 347 TFEU shall apply to this Protocol as regards measures taken by a Member State or by the United Kingdom in respect of Northern Ireland.

ARTICLE 16

The Committee on issues related to the implementation of the Protocol on Ireland/Northern Ireland established by Article 165 of the Withdrawal Agreement ("Specialised Committee") shall:

- (e) make recommendations to the Joint Committee as regards the functioning of this Protocol.

ARTICLE 17

Joint consultative working group

1. A joint consultative working group on the implementation of the Protocol is hereby established. It shall serve as a forum for the exchange of information and mutual consultation.
2. The working group shall be composed of representatives of the Union and the United Kingdom and shall carry out its functions under the supervision of the Specialised Committee, to which it shall report. The working group shall have no power to take binding decisions other than that referred to in paragraph 6.
3. Within the working group:
 - (a) the Union and the United Kingdom shall, in a timely manner, exchange information about planned, ongoing and final relevant implementation measures in relation to the Union acts listed in the Annexes to this Protocol;
 - (b) the Union shall inform the United Kingdom about planned Union acts within the scope of this Protocol, including those amending or replacing the Union acts listed in the Annexes to this Protocol;
 - (c) the Union shall provide to the United Kingdom all information the Union considers relevant to allow the United Kingdom to fully comply with its obligations under the Protocol; and

- (d) the United Kingdom shall provide to the Union all information that Member States provide to one another or the Union institutions, bodies, offices or agencies pursuant to the Union acts listed in the Annexes to this Protocol.
4. The working group shall be co-chaired by the Union and the United Kingdom.
5. The working group shall meet at least once a month, unless otherwise decided by the Union and the United Kingdom by mutual consent. Where necessary, information referred to in points (c) and (d) of paragraph 3 can be exchanged between meetings.
6. The working group shall adopt its own rules of procedure by mutual consent.
7. The Union shall ensure that all views expressed and information (including technical and scientific data) provided by the United Kingdom in the working group are communicated to the relevant Union institutions, bodies, offices and agencies without undue delay.

ARTICLE 18

Safeguards

1. If the application of this Protocol leads to serious economic, societal or environmental difficulties liable to persist, or to diversion of trade, the Union or the United Kingdom may unilaterally take appropriate measures. Such safeguard measures shall be restricted with regard to their scope and duration to what is strictly necessary in order to remedy the situation. Priority shall be given to such measures as will least disturb the functioning of this Protocol.

2. If a safeguard measure taken by the Union or the United Kingdom, as the case may be, in accordance with paragraph 1 creates an imbalance between the rights and obligations under this Protocol, the Union or the United Kingdom, as the case may be, may take such proportionate rebalancing measures as are strictly necessary to remedy the imbalance. Priority shall be given to such measures as will least disturb the functioning of this Protocol.

3. Safeguard and rebalancing measures taken in accordance with paragraphs 1 and 2 shall be governed by the procedures set out in Annex 10 to this Protocol.

ARTICLE 19

Protection of financial interests

The Union and the United Kingdom shall counter fraud and any other illegal activities affecting the financial interests of the Union or of the United Kingdom.

ARTICLE 20

Review

If at any time after the end of the transition period the Union or the United Kingdom considers that this Protocol is, in whole or in part, no longer necessary to achieve the objectives set out in Article 1(3) and should cease to apply, in whole or in part, it may notify the other party, setting out its reasons.

Within 6 months of such a notification, the Joint Committee shall meet at ministerial level to consider the notification, having regard to all of the objectives specified in Article 1. The Joint Committee may seek an opinion from institutions created by the 1998 Agreement.

If, following the consideration referred to above, and acting in full respect of Article 5 of the Withdrawal Agreement, the Union and the United Kingdom decide jointly within the Joint Committee that the Protocol, in whole or in part, is no longer necessary to achieve its objectives, the Protocol shall cease to apply, in whole or in part. In such a case the Joint Committee shall address recommendations to the Union and to the United Kingdom on the necessary measures, taking into account the obligations of the parties to the 1998 Agreement.

ARTICLE 1

Scope

1. Subject to the conditions laid down in Article 6(1) of the Protocol, this Annex shall apply to all goods:
 - (a) produced in the customs territory of the Union or the United Kingdom customs territory, including those wholly or partially obtained or produced from products coming from third countries which are in free circulation in the customs territory of the Union or the United Kingdom customs territory; or
 - (b) coming from third countries and in free circulation in the customs territory of the Union or the United Kingdom customs territory;
 - (c) obtained or produced in the customs territory of the Union or the United Kingdom customs territory, in the manufacture of which products coming from third countries and not in free circulation either in the customs territory of the Union or the United Kingdom customs territory were used, under the condition that the import formalities have been complied with and any customs duties or charges having an equivalent effect which are payable on those goods or on the third-country products used in their manufacture have been levied in the exporting part of the single customs territory.

The term "wholly obtained" in point (a) shall have the same meaning in the United Kingdom customs territory as it does in the customs territory of the Union.

2. Goods from third countries shall be considered to be in free circulation in the customs territory of the Union or the United Kingdom customs territory if the import formalities have been complied with and any customs duties or charges having equivalent effect which are payable have been levied by the Union or by the United Kingdom in their respective part of the single customs territory, and if they have not benefitted from a total or partial reimbursement of such duties or charges.
3. As regards goods obtained or produced in the customs territory of the Union or the United Kingdom customs territory, in the manufacture of which products coming from third countries and not in free circulation either in the customs territory of the Union or the United Kingdom customs territory were used, but which are not covered by point (c) of paragraph 1, the importing part of the single customs territory shall apply the customs legislation applying to goods from third countries.

ARTICLE 2

Trade between the parts of the single customs territory

1. Customs duties on imports and exports, and any charges having equivalent effect, shall be prohibited between the parts of the single customs territory. This prohibition shall also apply to customs duties of a fiscal nature.

Charges for the performance of customs controls or any other application of the customs legislation between the parts of the single customs territory shall be considered having equivalent effect to customs duties. Charges may however be imposed or costs recovered where specific services are rendered by the customs authorities, in particular the following:

- (a) attendance, where requested, by customs staff outside official office hours or at premises other than customs premises;
- (b) analyses or expert reports on goods and postal fees for the return of goods to an applicant, particularly in respect of decisions taken or information provided upon application;
- (c) the examination or sampling of goods for verification purposes, or the destruction of goods, where costs other than the cost of using customs staff are involved;
- (d) exceptional control measures, where these are necessary due to the nature of the goods or to a potential risk.

2. Articles III, V and Article XI of the General Agreement on Tariffs and Trade 1994 ("GATT 1994") shall be incorporated into and be made part of this Protocol and shall apply between the parts of the single customs territory *mutatis mutandis*.

3. The rules set out in this Annex shall not preclude prohibitions or restrictions on imports, exports or goods in transit justified on grounds of public morality, public policy or public security, the protection of health and life of humans, animals or plants, the protection of national treasures possessing artistic, historic or archaeological value, the protection of industrial or commercial property. Such prohibitions or restrictions shall not, however, constitute a means of arbitrary discrimination or a disguised restriction on trade between the parts of the single customs territory.

4. Nothing in this Annex shall be construed:
 - (a) to require the Union or the United Kingdom to furnish or allow access to any information the disclosure of which it considers contrary to its essential security interests; or

 - (b) to prevent the Union or the United Kingdom from taking any action which it considers necessary for the protection of its essential security interests:
 - (i) connected with the production of or trade in arms, munitions or war material or relating to such production of or trade in other goods and materials as is carried out directly or indirectly for the purpose of provisioning a military establishment;

 - (ii) relating to fissionable and fusionable materials or the materials from which they are derived; or

 - (iii) taken in time of war or other emergency in international relations; or

- (c) to prevent the Union or the United Kingdom from taking any action for the purpose of maintaining international peace and security.

ARTICLE 3

Customs Tariff applicable to trade with third countries

1. The United Kingdom shall align the tariffs and rules applicable in its customs territory with:
 - (a) the Union's Common Customs Tariff, as set out in Article 56(2) of Regulation (EU) 952/2013;
 - (b) the Union's rules on the origin of goods, as set out in Chapter 2 of Title II of Regulation (EU) 952/2013; and
 - (c) the Union's rules on the value of goods for customs purposes, as set out in Chapter 3 of Title II of Regulation (EU) 952/2013.
2. Under no circumstances may the United Kingdom:
 - (a) apply to its customs territory a customs tariff which is lower than the Common Customs Tariff for any good or import from any third country; or

- (b) apply or grant in its customs territory tariff preferences to any good on the basis of rules of origin that are different from those governing the granting of such preferences to the same good by the Union in its customs territory.
- 3. The United Kingdom may not, without prior agreement in the Joint Committee, apply or grant in its customs territory any quotas, tariff-rate quotas or duty suspensions.
- 4. The United Kingdom shall be informed of any decision taken by the Union to amend the Common Customs Tariff, to suspend or reintroduce duties and any decision concerning quotas, tariff-rate quotas or duty suspensions in sufficient time for it to align itself with that decision. If necessary, consultations may be held in the Joint Committee.

ARTICLE 4

Commercial policy

- 1. The single customs territory shall comply with the relevant provisions of Article XXIV of the GATT 1994. To this end, the United Kingdom shall harmonise the commercial policy applicable to its customs territory with the common commercial policy of the Union to the extent necessary to give effect to Article 6(1) of the Protocol and Article 3 of this Annex, and by applying regulations of commerce other than duties, in particular measures falling under Article XI:1 of the GATT 1994, which are substantially the same as those of the Union.

2. The United Kingdom shall ensure that, for the products covered by Article 6(1) of the Protocol, its Schedules of Concessions referred to in Article II of the GATT 1994 are fully aligned with those of the Union, and commitments on tariff-rate quotas are compatible with those of the Union and comply with the provisions of Article 3 of this Annex. The Union and the United Kingdom agree to cooperate on WTO matters on the apportionment of WTO tariff-rate quotas and to the extent necessary for the functioning of the single customs territory.
3. The Union's trade defence regime, as well as the Union's Generalised Scheme of Preferences ("GSP"), shall cover both parts of the single customs territory. The Union shall consult the United Kingdom on any trade defence measures or actions under the GSP regime which it considers taking. At least 6 months before the end of the transition period, the Joint Committee shall set up the procedures for the application of this paragraph.

ARTICLE 5

Administrative cooperation

1. In addition to the specific cooperation provided for in Annex 3 to this Protocol, the administrative authorities of the Union, including its Member States, and of the United Kingdom responsible for implementing the provisions of this Annex shall provide each other with mutual administrative assistance so as to ensure compliance with those provisions for trade in goods between the parts of the single customs territory or with third countries.

2. At least 6 months before the end of the transition period, the Joint Committee shall elaborate the appropriate provisions on mutual administrative assistance referred to in paragraph 1, including as regards the recovery of debts.

ARTICLE 6

Specific remedies

1. By way of derogation from Articles 170 to 179 of the Withdrawal Agreement, Article 6(1) of the Protocol and Article 2 of this Annex, in case of non-compliance by the United Kingdom with the obligations set out in Articles 1, 3 and 4 of this Annex with respect to goods and products from third countries, the Union may, where it considers this necessary to protect the integrity of the single market, impose tariffs or other restrictions on the movement of the relevant goods into or out of the customs territory of the Union. These goods shall not be considered as being within the scope of this Annex, as set out in Article 1(1).
2. Where the Union has made a finding, based on objective information, of the existence of an error in the United Kingdom customs territory in the implementation of Annex 3, where this error leads to consequences in terms of import duties, the Union shall request the Joint Committee to determine the appropriate measures with a view to resolving the situation.
3. Part Six of the Withdrawal Agreement shall apply to any dispute relating to the application of this Article.

ARTICLE 1

Application of Customs Codes

Without prejudice to the provisions set out in Annex 2, the Union Customs Code and any other measures and controls which are applicable in the customs territory of the Union, and the United Kingdom Taxation (Cross-border Trade) Act 2018 and its implementing provisions, as well as other relevant legislation, which are applicable in the customs territory of the United Kingdom, shall apply in trade in goods between the two parts of the single customs territory under the conditions laid down in this Protocol and this Annex.

ARTICLE 2

Formalities in respect of point (c) of Article 1(1) of Annex 2

1. For the implementation of point (c) of Article 1(1) of Annex 2, the import formalities shall be considered as having been complied with in the exporting part of the single customs territory by the validation of the document necessary to prove that a good is within the scope of Annex 2, as set out in Article 1(1) thereof.

2. The validation referred to in paragraph 1 shall cause the customs duties or charges having equivalent effect, which are payable on the goods concerned or on the third-country products used in their manufacture in accordance with Article 3 of Annex 2, to be levied in the exporting part of the single customs territory. It shall also give rise to the application of the commercial policy measures described in Article 4 of Annex 2 and to which the goods may be subject.
3. The moment when the customs duties or charges having equivalent effect referred to in paragraph 2 shall be levied, shall be deemed to be the moment when the competent customs authorities accept the export declaration relating to the goods in question.
4. The debtor shall be the declarant. In the event of indirect representation, the person on whose behalf the declaration is made shall also be a debtor.

ARTICLE 3

Documentary evidence

Without prejudice to Article 5, proof that a good is within the scope of Annex 2 to this Protocol, as set out in Article 1(1) thereof, shall be provided by documentary evidence issued at the exporter's request by the customs authorities in the parts of the single customs territory.

ARTICLE 4

A. UK. Movement certificate

1. The documentary evidence referred to in Article 3 shall be the A. UK. movement certificate. The Union shall draw up the specimen of the A. UK. movement certificate and explanatory notes and inform the Joint Committee thereof. The use of that specimen shall be mandatory.
2. The A. UK. Movement certificate may be used only where:
 - (a) the goods have not, after exportation and prior to being declared for importation, been altered, transformed in any way or subjected to operations other than to preserve them in good condition or than adding or affixing marks, labels, seals or any other documentation to ensure compliance with specific domestic requirements of the importing part of the single customs territory;
 - (b) the goods have been stored or exhibited in a third country provided that the goods remain under customs supervision in that third country.
3. Without prejudice to paragraph 2, the splitting of consignments may take place in a third country if it is carried out by the exporter or under its responsibility and provided that they remain under customs supervision in that third country.

4. Paragraph 2 shall be considered to be complied with unless the customs authorities in the importing part of the single customs territory have reason to believe the contrary. In such cases, the customs authorities may request the declarant to provide evidence of compliance, which may be given by any means.
5. An A. UK. movement certificate shall be endorsed by the customs authorities in the exporting part of the single customs territory when goods to which it relates are exported. It shall be made available to the exporter as soon as the actual exportation has been effected or ensured.
6. An A. UK. movement certificate may be endorsed only where it can serve as the documentary evidence required for the purpose of determining that a good is within the scope of Annex 2, as set out in Article 1(1) thereof.
7. The exporter applying for the issue of an A. UK. movement certificate shall be prepared to submit at any time, at the request of the customs authorities in the exporting part of the single customs territory where the A. UK. movement certificate is issued, all appropriate documents proving the status of the products concerned as well as the fulfilment of the other requirements of the Protocol and of Annex 2 to this Protocol.

8. The issuing customs authorities shall take any steps necessary to verify the status of the products and the fulfilment of the other requirements of the Protocol and of this Annex. For this purpose, they shall have the right to call for any reasonable evidence and to carry out any control considered appropriate. The issuing customs authorities shall also ensure that the certificates are duly completed. In particular, they shall check whether the space reserved for the description of the products has been completed in such a manner as to exclude all possibility of fraudulent additions.
9. An A. UK. movement certificate must be submitted, within four months of the date of issue by the customs authorities in the exporting part of the single customs territory, to the customs authorities in the importing part of the single customs territory.
10. A. UK. movement certificates submitted to the customs authorities in the importing part of the single customs territory after the final date for presentation specified in paragraph 9 may be accepted where the failure to submit these documents by the final date set is due to exceptional circumstances.
11. In other cases of belated presentation, the customs authorities in the importing part of the single customs territory shall accept A. UK. movement certificates where the related goods were presented to those authorities before the said final date.

ARTICLE 5

A. UK. movement certificates issued retrospectively

1. Notwithstanding Article 4(5), A. UK. movement certificates may exceptionally be issued after the actual exportation has been effected or ensured of the goods to which it relates if:
 - (a) it was not issued at the time of exportation because of errors or involuntary omissions or special circumstances; or
 - (b) it is demonstrated to the satisfaction of the customs authorities that an A. UK. movement certificate was issued but was not accepted at importation for technical reasons.
2. For the implementation of paragraph 1, the exporter must indicate in his application the place and date of exportation of the products to which the A. UK. movement certificate relates, and state the reasons for his request.
3. The customs authorities may issue an A. UK. movement certificate retrospectively only where the customs authorities are satisfied a certificate has been applied for in accordance with the provisions of this Article.

ARTICLE 6

Submission of A. UK. movement certificates

1. Movement certificates shall be submitted to customs authorities in the importing part of the single customs territory in accordance with the procedures laid down in that part of the single customs territory. These authorities may require a translation of a certificate. They may also require the import declaration to be accompanied by a statement from the importer to the effect that the goods are within the scope of Annex 2 to this Protocol, as set out in Article 1(1) thereof.
2. The discovery of slight discrepancies between the statements made in the A.UK. movement certificates and those made in the document submitted to the customs authorities for the purpose of carrying out the import formalities for the goods shall not ipso facto render the certificates null and void if it is duly established that the certificates correspond to the goods presented.
3. Obvious formal errors such as typing errors on A. UK. movement certificates should not cause these certificates to be rejected if these errors are not such as to create doubts concerning the correctness of the statements made in these certificates.

ARTICLE 7

Replacement of A. UK. movement certificates

When goods are placed under the control of a customs office in either part of the single customs territory, it shall be possible to replace the original A. UK. movement certificate by one or more A. UK. movement certificates for the purpose of sending all or some of these goods elsewhere within the single customs territory. The replacement A. UK. movement certificate(s) shall be issued by the customs office under whose control the products are placed.

ARTICLE 8

Administrative cooperation

1. The customs authorities of the Member States of the Union and of United Kingdom shall provide each other, through the European Commission, with specimen impressions of stamps used in their customs offices for the issue of A. UK. movement certificates and with the addresses of the customs authorities responsible for verifying those certificates.
2. In order to ensure the proper application of this Protocol, the Union and United Kingdom shall assist each other, through the competent customs administrations, in checking the authenticity of A. UK. movement certificates and the correctness of the information given in them.

ARTICLE 9

Verification of A. UK. movement certificates

1. Subsequent verifications of A. UK. movement certificates shall be carried out at random or whenever the customs authorities in the importing part of the single customs territory have reasonable doubts as to the authenticity of the certificates, the status of the products concerned or the fulfilment of the other requirements of the Protocol and of its Annexes, providing such verification is sought no later than 3 years after the issuing of the A. UK. movement certificate by the customs authorities in the exporting part of the single customs territory.
2. For the purposes of implementing the provisions of paragraph 1, the customs authorities in the importing part of the single customs territory shall send the A. UK. movement certificate to the customs authorities in the exporting part of the single customs territory, and the invoice, if it has been submitted, or a copy of these documents, giving, where appropriate, the reasons for the enquiry. Any documents and information obtained suggesting that the information given on the A.UK movement certificate is incorrect shall be forwarded in support of the request for verification.
3. The verification shall be carried out by the customs authorities in the exporting part of the single customs territory. For this purpose, they shall have the right to call for any reasonable evidence and to carry out any inspection of the exporter's accounts or any other check considered appropriate.

4. If the customs authorities in the importing part of the single customs territory decide to refuse for the products concerned, the treatment provided for in Annex 2 while awaiting the results of the verification, release of the products shall be offered to the importer subject to any precautionary measures judged necessary.
5. The customs authorities requesting the verification shall be informed of the results of this verification within a maximum of 10 months. These results must indicate clearly whether the documents are authentic and whether the products concerned were within the scope of Annex 2 to this Protocol, as set out in Article 1(1) thereof, and fulfil the other requirements of the Protocol and its Annexes.
6. If, in cases of reasonable doubt, there is no reply within 10 months or if the reply does not contain sufficient information to determine the authenticity of the document in question or the true status of the product, the requesting customs authorities shall, except in exceptional circumstances, refuse the treatment provided for in the Protocol and its Annexes.

ARTICLE 10

Disputes relating to the verification procedure

1. Where disputes arise in relation to the verification procedures of Article 9 which cannot be settled between the customs authorities requesting a verification and the customs authorities responsible for carrying out this verification, or where they raise a question as to the interpretation of this Annex, they shall be submitted to the Joint Committee.

2. At the request of the Union or the United Kingdom, consultations shall be hold in the Joint Committee within a period of 90 days from the date of submission referred to in paragraph 1, with a view to resolving those differences. The period for consultation may be extended on a case by case basis by mutual written agreement. After this period the customs authority of the importing part of the single customs territory can make its decision on the status of the goods concerned.
3. In all cases, disputes between the importer and the customs authorities of the importing country shall be settled under the legislation of the said country.

ARTICLE 11

Penalties

Penalties shall be imposed on any person who draws up, or causes to be drawn up, a document which contains incorrect information for the purpose of obtaining the treatment provided for in the Protocol and Annex 2 to this Protocol. Such penalties shall be effective, proportionate and dissuasive.

ARTICLE 12

Provisions concerning the goods brought by travellers

Provided that they are not intended for commercial use, goods brought by travellers from one part of the single customs territory to the other part of the single customs territory shall benefit from the treatment provided for in Annex 2 without being the subject of the certificate provided for in Articles 3 to 11 when they are declared as goods within the scope of Annex 2, as set out in Article 1(1) thereof, and there is no doubt as to the accuracy of the declaration.

The Joint Committee shall regularly discuss the implementation of this Article, and where appropriate, adopt the necessary measures for its proper application.

ARTICLE 13

Postal consignments

Postal consignments (including postal packages) shall benefit from the treatment provided for in Annex 2 without being the subject of the certificate provided for in Articles 3 to 11, provided there is no indication on the packing or on the accompanying documents that the goods contained therein are not within the scope of Annex 2 to this Protocol, as set out in Article 1(1) thereof. This indication consists of a label to be affixed in all cases of this kind by the competent authorities of the exporting part of the single customs territory.

The Union shall draw up the specimen of the label referred to in the first subparagraph and inform the Joint Committee thereof. The use of the label based on that specimen shall be mandatory.

The Joint Committee shall regularly discuss the implementation of this Article, and where appropriate, adopt the necessary measures for its proper application.

PART ONE

1. The Union and the United Kingdom recognise and commit themselves to implementing the principles of good governance in the area of taxation, including the global standards on transparency and exchange of information, fair taxation, and the OECD standards against Base Erosion and Profit Shifting (BEPS). The Union and the United Kingdom will promote good governance in tax matters, improve international cooperation in the tax area and facilitate the collection of tax revenues.
2. In the context of the Union's and the United Kingdom's commitments set out in paragraph 1, the United Kingdom shall continue to apply provisions of its domestic law transposing the following provisions of Union law, as applicable at the end of the transition period:

3. The Union and the United Kingdom, reflecting the direction set by the G20-OECD BEPS Action Plan, reaffirm their commitment to curb harmful tax measures.

In this context, the United Kingdom reaffirms its commitment to the Code of Conduct for business taxation set out in the conclusions of the Council of Ministers of 1st December 1997 as reflected in the mandate and criteria established by those conclusions, as well as the guidance relating to the Code of Conduct, as applicable at the end of the transition period.

4. The Joint Committee may determine the measures necessary for the implementation of paragraph 2 and shall discuss all matters related to the implementation of paragraph 3.
5. Articles 170 to 181 of the Withdrawal Agreement shall not apply in respect of disputes regarding the interpretation and application of paragraphs 1, 3 and 4 of this Article.

PART TWO

ENVIRONMENTAL PROTECTION

ARTICLE 2

Non-regression in the level of environmental protection

1. With the aim of ensuring the proper functioning of the single customs territory, the Union and the United Kingdom shall ensure that the level of environmental protection provided by law, regulations and practices is not reduced below the level provided by the common standards applicable within the Union and the United Kingdom at the end of the transition period in relation to: access to environmental information, public participation and access to justice in environmental matters; environmental impact assessment and strategic environmental assessment; industrial emissions; air emissions and air quality targets and ceilings; nature and biodiversity conservation; waste management; the protection and preservation of the aquatic environment; the protection and preservation of the marine environment; the prevention, reduction and elimination of risks to human health or the environment arising from the production, use, release and disposal of chemical substances; and climate change.

2. Reflecting their common principles at the end of the transition period and their commitment to the 1992 Rio Declaration on Environment and Development, in giving effect to the obligations set out in this Article the Union and the United Kingdom shall respect the following principles in their respective environmental legislation:
 - (a) the precautionary principle;

3. Having regard to the common standards referred to in paragraph 1, the Joint Committee shall adopt decisions laying down minimum commitments for:
 - (a) the reduction of national emissions of certain atmospheric pollutants;
 - (b) the maximum sulphur content of marine fuels which may be used in the territorial seas, exclusive economic zones, including in the SO_x-Emission Control Area (SO_x-ECA) designated in the North Sea and Baltic Sea area, and in the ports of the Member States of the Union and of the United Kingdom; and

- (c) those best available techniques, including emission limit values, in relation to industrial emissions.

These decisions shall apply as from the end of the transition period.

4. The Union and the United Kingdom shall take the necessary measures to meet their respective commitments to international agreements to address climate change, including those which implement the United Nations Framework Conventions on Climate Change, such as the Paris Agreement of 2015.
5. The United Kingdom shall implement a system of carbon pricing of at least the same effectiveness and scope as that provided by Directive 2003/87/EC of the European Parliament and of the Council of 13 October 2003 establishing a scheme for greenhouse gas emission allowance trading within the Community.
6. The Union and the United Kingdom reaffirm their commitment to implement effectively the multilateral environmental agreements to which they are party in their laws, regulations and practices.
7. Articles 170 to 181 of the Withdrawal Agreement shall not apply in respect of disputes regarding the interpretation and application of this Article.

ARTICLE 3

1. Noting that within the Union the effective application of Union law reflecting the common standards referred to in Article 2(1) is ensured by the Commission and the Court of Justice of the European Union acting under the Treaties, the United Kingdom shall ensure effective enforcement of Article 2 and of its laws, regulations and practices reflecting those common standards, without prejudice to Article 2(7).

The United Kingdom shall ensure that administrative and judicial proceedings are available in order to permit effective and timely action by public authorities and members of the public against violations of its laws, regulations and practices, and provide for effective remedies, including interim measures, ensuring that any sanctions are effective, proportionate and dissuasive and have a real and deterrent effect.

2. The United Kingdom shall implement a transparent system for the effective domestic monitoring, reporting, oversight and enforcement of its obligations pursuant to this Article and to Article 2 by an independent and adequately resourced body or bodies ("the independent body").

The independent body shall have powers to conduct inquiries on its own initiative concerning alleged breaches by public bodies and authorities of the United Kingdom, and to receive complaints for the purposes of conducting such inquiries. PART THREE

ARTICLE 4

1. With the aim of ensuring the proper functioning of the single customs territory, the Union and the United Kingdom shall ensure that the level of protection provided for by law, regulations and practices is not reduced below the level provided by the common standards applicable within the Union and the United Kingdom at the end of the transition period in the area of labour and social protection and as regards fundamental rights at work, occupational health and safety, fair working conditions and employment standards, information and consultation rights at company level, and restructuring.

2. Articles 170 to 181 of the Withdrawal Agreement shall not apply in respect of disputes regarding the interpretation and application of this Article.

ARTICLE 5

4. Articles 170 to 181 of the Withdrawal Agreement shall not apply in respect of disputes regarding the interpretation and application of this Article.

ARTICLE 6

Monitoring and enforcement of labour and social standards

Noting that within the Union the effective application of Union law reflecting the common standards referred to in Article 4(1) is ensured by the Commission and the Court of Justice of the European Union acting under the Treaties, the United Kingdom shall ensure effective enforcement of Article 4 and of its laws, regulations and practices reflecting those common standards in its whole territory, without prejudice to Article 4(2).

The United Kingdom shall maintain an effective system of labour inspections, ensure that administrative and judicial proceedings are available in order to permit effective action against violations of its laws, regulations and practices, and provide for effective remedies, ensuring that any sanctions are effective, proportionate and dissuasive and have a real and deterrent effect.

PART FOUR

STATE AID

ARTICLE 7

State aid

1. With a view to preserving a robust and comprehensive framework for State aid control that prevents undue distortions of trade and competition, the Union State aid law provisions listed in Annex 8 to this Protocol shall apply to the United Kingdom, in respect of measures which affect that trade between the parts of the single customs territory which is subject to Annex 2. However, in respect of such measures of the United Kingdom authorities, references to the European Commission in those Union law provisions shall be read as referring to the independent authority referred to in Article 9.
2. Notwithstanding paragraph 1, the provisions of Union law referred to in that paragraph shall not apply with respect to measures of the United Kingdom authorities supporting the production of and trade in agricultural products in the United Kingdom customs territory up to a determined maximum overall annual level of support, and provided that a determined minimum percentage of that exempted support complies with the provisions of Annex 2 to the WTO Agreement on Agriculture. The determination of the maximum exempted overall annual level of support and the minimum percentage shall be set by the Joint Committee and governed by the procedures set out in Article 8.

3. This Article is without prejudice to Article 12 of the Protocol and to Article 14(4) and (5) of the Protocol as regards Article 12 of the Protocol.

ARTICLE 8

Procedures referred to in Article 7(2)

The Joint Committee shall determine the initial maximum exempted overall annual level of support and the initial minimum percentage referred to in Article 7(2), taking into account the most recent information available. The initial maximum exempted overall annual level of support shall be informed by the design of the United Kingdom's future agricultural support scheme as well as by the annual average of the total amount of expenditure incurred in the United Kingdom customs territory under the Common Agricultural Policy under the current MFF 2014-2020. The initial minimum percentage shall be informed by the design of the United Kingdom's agricultural support scheme as well as by the percentage to which the overall expenditure under the Common Agricultural Policy in the Union complied with the provisions of Annex 2 to the WTO Agreement on Agriculture as notified for the period concerned.

The Joint Committee shall adjust the level of support and percentage referred to in the first subparagraph informed by the design of the United Kingdom's agricultural support scheme to any variation in the overall amount of support available under the Common Agricultural Policy in the Union in each future Multiannual Financial Framework.

If the Joint Committee fails to determine the initial level of support and percentage in accordance with the first subparagraph, or fails to adjust the level of support and percentage in accordance with the second subparagraph, by the end of the transition period or within one year of the entry into force of a future Multiannual Financial Framework, as the case may be, application of Article 7(2) shall be suspended until the Joint Committee has determined or adjusted the level of support and percentage.

ARTICLE 9

Independent authority

1. The United Kingdom shall establish or maintain an operationally independent authority ("the independent authority"). In performing its duties and exercising its powers, the independent authority shall have the necessary guarantees of independence from political or other external influence and shall act impartially.
2. In respect of measures of the United Kingdom authorities that are subject to Article 7(1), the independent authority shall have powers and functions equivalent to those of the European Commission acting under the Union State aid law provisions listed in Annex 8 to this Protocol. The independent authority shall be appropriately equipped with the resources necessary for the full application and the effective enforcement, in accordance with Article 7(1), of the Union State aid law provisions listed in Annex 8 to this Protocol. These resources include human, technical and financial resources, premises and infrastructure.

3. Decisions of the independent authority shall produce in respect of and in the United Kingdom the same legal effects as those which comparable decisions of the European Commission acting under the Union State aid law provisions listed in Annex 8 to this Protocol produce within the Union and its Member States.

ARTICLE 10

Cooperation

1. With a view to ensuring consistent surveillance in the field of State aid throughout the single customs territory, the European Commission and the independent authority shall cooperate.
2. The European Commission and the independent authority shall:
 - (a) exchange information and views on the implementation, application and interpretation of the Union State aid law provisions listed in Annex 8, and
 - (b) provide on a case-by-case basis information and exchange views on individual State aid cases which affect that trade between the parts of the single customs territory which is subject to Annex 2. The European Commission and the independent authority shall exchange this information taking into account the limitations imposed by the requirements of professional and business secrecy.

3. If the independent authority decides to open the procedure referred to in the first and second subparagraphs of Article 108(2) of the TFEU in respect of measures of the United Kingdom authorities that are subject to Article 7(1), the independent authority shall communicate that decision to the European Commission and give it the opportunity to submit its comments in accordance with the applicable time limits in Regulation (EU) 2015/1589.
4. The independent authority shall consult the European Commission on all draft decisions it intends to adopt in accordance with Articles 7(1) and 9. The European Commission shall have up to 3 months to communicate its opinion, and the independent authority shall take utmost account of that opinion before adopting the decision. In cases of urgency, the independent authority may invite the Commission to communicate its opinion as soon as possible.

Where the European Commission considers, during the period referred to in the first subparagraph, that it requires further information before it can formulate its opinion, it may address a request for additional information to the independent authority. That period shall be suspended from the date of the European Commission's request, and shall start afresh from the date of receipt of the independent authority's response.

The independent authority shall not adopt the draft decision until the European Commission has communicated its opinion in accordance with the first subparagraph.

ARTICLE 11

Courts and tribunals of the United Kingdom

1. Noting that the Court of Justice of the European Union has jurisdiction under the Treaties in respect of acts of the European Commission in the area of State aid, in respect of measures of the United Kingdom authorities that are subject to Article 7(1), the United Kingdom shall ensure that courts or tribunals in the United Kingdom are competent to:
 - (a) review and enforce compliance by the United Kingdom's authorities with the obligation under Article 108(3) of the TFEU to notify and not to put a proposed measure in effect until the independent authority has authorised it;
 - (b) review the compliance of the decisions taken by the independent authority with the Union State aid law provisions listed in Annex 8;
 - (c) review and enforce compliance with a decision of the independent authority by the United Kingdom's authorities, and impose penalties in case of non-compliance;
 - (d) decide on actions for a failure of the independent authority to act, and order the independent authority to act; and
 - (e) decide on actions for private damages and award such damages.

2. The European Commission and interested parties shall have legal standing before courts or tribunals in the United Kingdom to bring such cases.

The term "interested parties" in the first subparagraph shall have the same meaning as it does under Union State aid law provisions listed in Annex 8.

3. The European Commission shall have the right to intervene in cases referred to in paragraph 1 brought before courts or tribunals in the United Kingdom by the independent authority or any interested party.

ARTICLE 12

Transparency

Without prejudice to the Union State aid law provisions listed in Annex 8, the United Kingdom shall maintain a system of transparency of aid granted for individual State aid grants above EUR 500 000.

ARTICLE 13

Consultations

1. If the Union considers that the application or implementation by the United Kingdom of Article 7 and Articles 9 to 12 threatens to seriously undermine the equal conditions of competition between the parts of the single customs territory, it may request a consultation within the Joint Committee with a view to finding a commonly acceptable solution.
2. The consultation shall take place on the basis of a written request that includes an explanation of the Union's reasons for requesting the consultation. A meeting of the Joint Committee shall be held within 30 days of the request.
3. If a commonly agreed solution has not been found in the Joint Committee within 30 days of the meeting of the Joint Committee referred to in paragraph 2, the Union may adopt interim measures in accordance with Article 14.

ARTICLE 14

Interim measures

1. The Union shall be entitled, after giving notice to the United Kingdom, to take appropriate remedial measures:
 - (a) in accordance with Article 13(3); or
 - (b) where the Union considers that the United Kingdom has failed to comply with its obligations under Article 7 and Articles 9 to 12 and the Union has commenced consultation in the Joint Committee in accordance with Article 169 of the Withdrawal Agreement, provided that the Union considers that the United Kingdom's failure to comply threatens to undermine the equal conditions of competition between the parts of the single customs territory;
2. In the case referred to in point (b) of paragraph 1, the appropriate remedial measures taken by the Union may take effect at the earliest 30 days after the Union has given the United Kingdom notice.
3. The appropriate remedial measures taken by the Union shall cease to apply when:
 - (a) the Union is satisfied that the risk to the equal conditions of competition between the parts of the single customs territory has been remedied; or

- (b) in cases submitted to arbitration in accordance with Article 170 of the Withdrawal Agreement, the arbitration panel has decided that the United Kingdom has not failed to comply with its obligations under Article 7 and Articles 9 to 12.

ARTICLE 15

Coordination

1. The exercise of its powers under Article 9 by the independent authority in respect of measures of the United Kingdom authorities that are subject to Article 7(1) is without prejudice to the European Commission's powers under Article 14(4) of the Protocol as regards Article 12 of the Protocol.

In particular:

- (a) a decision by the independent authority shall not give rise to legitimate expectations under Union law as regards the application of Article 12 of the Protocol;
- (b) where the European Commission, acting under Article 12 of the Protocol, and the independent authority, acting under Articles 7(1) and 9, take decisions concerning the same measure of the United Kingdom authorities, the decision of the independent authority is without prejudice to the legal effects in the United Kingdom of the decision of the European Commission pursuant to Article 14(5) of the Protocol.

2. Where the independent authority learns, by any means, of a measure by the United Kingdom authorities that may be subject to both Article 12(1) of the Protocol and Article 7(1), it may informally consult the European Commission on whether the latter considers the measure in question to be subject to Article 12(1).

PART FIVE

COMPETITION

ARTICLE 16

Principles

The Union and the United Kingdom recognise the importance of free and undistorted competition in their trade and investment relations. The Union and the United Kingdom acknowledge that anti-competitive business practices, concentrations of undertakings and State interventions have the potential to distort the proper functioning of markets and undermine the benefits of trade liberalisation.

This Part is without prejudice to the specific provisions applicable in the Union to agricultural products in accordance with Article 42 of the TFEU, and equivalent laws, regulations and practices applicable in the United Kingdom.

ARTICLE 17

Agreements between undertakings

1. The following shall be prohibited in so far as they may affect trade between the Union and the United Kingdom: all agreements between undertakings, decisions by associations of undertakings and concerted practices which have as their object or effect the prevention, restriction or distortion of competition, and in particular those which:
 - (a) directly or indirectly fix purchase or selling prices or any other trading conditions;
 - (b) limit or control production, markets, technical development or investment;
 - (c) share markets or sources of supply;
 - (d) apply dissimilar conditions to equivalent transactions with other trading parties, thereby placing them at a competitive disadvantage;
 - (e) make the conclusion of contracts subject to acceptance by the other parties of supplementary obligations which, by their nature or according to commercial usage, have no connection with the subject of such contracts.
2. Any agreements or decisions prohibited pursuant to this Article shall automatically be void.

3. The provisions of paragraph 1 may, however, be declared inapplicable in the case of:

- any agreement or category of agreements between undertakings,
- any decision or category of decisions by associations of undertakings,
- any concerted practice or category of concerted practices,

which contributes to improving the production or distribution of goods or to promoting technical or economic progress, which allows consumers a fair share of the resulting benefit, and which does not:

- (a) impose on the undertakings concerned restrictions which are not indispensable to the attainment of these objectives;
- (b) afford such undertakings the possibility of eliminating competition in respect of a substantial part of the products in question.

ARTICLE 18

Abuse of a dominant position

1. Any abuse by one or more undertakings of a dominant position in the territories of the Union and the United Kingdom as a whole or in a substantial part thereof shall be prohibited, in so far as it may affect trade between the Union and the United Kingdom.

2. Such abuse may, in particular, consist in:
- (a) directly or indirectly imposing unfair purchase or selling prices or other unfair trading conditions;
 - (b) limiting production, markets or technical development to the prejudice of consumers;
 - (c) applying dissimilar conditions to equivalent transactions with other trading parties, thereby placing them at a competitive disadvantage;
 - (d) making the conclusion of contracts subject to acceptance by the other parties of supplementary obligations which, by their nature or according to commercial usage, have no connection with the subject of such contracts.

ARTICLE 19

Concentrations of undertakings

Concentrations between undertakings which are notifiable to the United Kingdom or the Union or to one or more of its Member States and which threaten to significantly impede or to substantially lessen effective competition, in particular as a result of the creation or strengthening of a dominant position, shall be declared incompatible, in so far as they affect trade between the Union and the United Kingdom, unless remedies are offered to address adequately the identified competition concerns.

ARTICLE 20

Public undertakings, undertakings granted special or exclusive rights or privileges,
and designated monopolies

1. In the case of public undertakings and undertakings to which the Member States or the United Kingdom grant special or exclusive rights, the Union and the United Kingdom shall ensure that there are neither enacted nor maintained in force any measures contrary to the rules contained in Articles 17 to 19.
2. Undertakings entrusted with the operation of services of general economic interest or having the character of revenue-producing monopoly shall be subject to the rules contained in Articles 17 to 19, in so far as the application of those rules does not obstruct the performance, in law or in fact, of the particular tasks assigned to them. The development of trade must not be affected to such an extent as would be contrary to the interests of the Union and the United Kingdom.

ARTICLE 21

Interpretation

The Union and the United Kingdom shall implement and apply Articles 17 to 20, in so far as they reflect concepts of Union law, using as sources of interpretation the criteria arising from the application of Articles 101, 102 and 106 of the TFEU as well as all relevant acts adopted by the institutions, bodies, offices or agencies of the Union, including frameworks, guidelines, notices and other acts applicable in the Union.

ARTICLE 22

Implementation

1. The Union and the United Kingdom shall take all appropriate measures to ensure that their respective competition rules address in an effective manner all of the practices set out in Articles 17 to 20.

In particular, the United Kingdom shall adopt or maintain a competition law which addresses, in an effective manner, all of the practices set out in Article 17 to 20.

2. The Union and the United Kingdom shall enforce the rules referred to in the first subparagraph of paragraph 1 in their respective territories.

For the purposes of the first subparagraph, the United Kingdom shall establish or maintain an operationally independent authority or authorities ("the independent authority"). The independent authority shall have the necessary guarantees of independence from political or other external influence and shall be able to perform its duties and exercise its powers impartially. It shall be appropriately equipped with all the powers and resources necessary for the full application and the effective enforcement of the competition law referred to in paragraph 1.

3. The United Kingdom shall apply the competition law referred to in paragraph 1 in a transparent and non-discriminatory manner, respecting the principles of procedural fairness and rights of defence of the undertakings concerned, irrespective of their nationality or ownership status.

ARTICLE 23

Cooperation

1. In order to enhance effective competition enforcement, the Union and the United Kingdom acknowledge that it is in their common interest to promote cooperation with regard to competition policy development and the investigation of antitrust and merger cases.
2. For this purpose, the competition authorities of the Union and the United Kingdom will endeavour to coordinate, where this is possible and appropriate, their enforcement activities relating to the same or related cases.

3. To facilitate the cooperation referred to in paragraph 1, the competition authorities of the Union and the United Kingdom may exchange information.
4. In implementing the objectives of this Article, the Union and the United Kingdom, or the competition authorities of the Union and the United Kingdom, may enter into a separate agreement or agree upon a separate framework on cooperation between the competition authorities.

ARTICLE 24

Monitoring and dispute settlement

1. Noting that in the Union effective enforcement is ensured by the Commission and the Court of Justice acting under the Treaties, the United Kingdom shall ensure effective enforcement of the provisions in Articles 17 to 20 and shall not reduce the effectiveness of public and private enforcement of its competition laws, regulations and practices. In particular, the United Kingdom shall ensure that administrative and judicial proceedings are available in order to permit effective and timely action against violations, and provide for effective remedies, including interim measures, ensuring that any sanctions are effective, proportionate and dissuasive and have a real and deterrent effect.
2. Articles 170 to 181 of the Withdrawal Agreement shall not apply in respect of disputes regarding the interpretation and application of Article 16 to 23.

PART SIX

 2. Any regulatory body or function that is established or maintained in the Union or the United Kingdom shall:
 - (a) be independent from and not accountable to any of the undertakings that it regulates in order to ensure the effectiveness of the regulatory function, and
 - (b) act impartially in like circumstances with respect to all undertakings that it regulates.
 3. The Union and the United Kingdom shall ensure the enforcement of laws and regulations in a consistent and non-discriminatory manner.

The Joint Committee shall determine the initial maximum exempted overall annual level of support and the initial minimum percentage referred to in Article 12(2), taking into account the most recent information available. The initial maximum exempted overall annual level of support shall be informed by the design of the United Kingdom's future agricultural support scheme as well as the annual average of the total amount of expenditure incurred in Northern Ireland under the Common Agricultural Policy under the current MFF 2014-2020. The initial minimum percentage shall be informed by the design of the United Kingdom's agricultural support scheme as well as by the percentage to which the overall expenditure under the Common Agricultural Policy in the Union complied with the provisions of Annex 2 to the WTO Agreement on Agriculture as notified for the period concerned.

The Joint Committee shall adjust the level of support and percentage referred to in the first subparagraph informed by the design of the United Kingdom's agricultural support scheme to any variation in the overall amount of support available under the Common Agricultural Policy in the Union in each future Multiannual Financial Framework.

If the Joint Committee fails to determine the initial level of support and percentage in accordance with the first subparagraph, or fails to adjust the level of support and percentage in accordance with the second subparagraph, by the end of the transition period or within one year of the entry into force of a future Multiannual Financial Framework, as the case may be, application of Article 12(2) shall be suspended until the Joint Committee has determined or adjusted the level of support and percentage.

PROCEDURES REFERRED TO IN ARTICLE 18(3)

1. Where the Union or the United Kingdom is considering taking safeguard measures under Article 18(1) of this Protocol, it shall, without delay, notify the Union or the United Kingdom, as the case may be, through the Joint Committee and shall provide all relevant information.
2. The Union and the United Kingdom shall immediately enter into consultations in the Joint Committee with a view to finding a commonly acceptable solution.
3. The Union or the United Kingdom, as the case may be, may not take safeguard measures until one month has elapsed after the date of notification under point 1, unless the consultation procedure under point 2 has been concluded before the expiration of the state limit. When exceptional circumstances requiring immediate action exclude prior examination, the Union or the United Kingdom, as the case may be, may apply forthwith the protective measures strictly necessary to remedy the situation.
4. The Union or the United Kingdom, as the case may be, shall, without delay, notify the measures taken to the Joint Committee and shall provide all relevant information.

5. The safeguard measures taken shall be the subject of consultations in the Joint Committee every three months from the date of their adoption with a view to their abolition before the date of expiry envisaged, or to the limitation of their scope of application. The Union or the United Kingdom, as the case may be, may at any time request the Joint Committee to review such measures.
